**United States Patent and Trademark Office (USPTO)
Office Action (Official Letter) About Applicant's Trademark Application**

U.S. Application Serial No. 97118635

Mark: DOES YOUR JET NEED A VACATION?

Correspondence Address:

BRIAN C. ALMEIDA, ESQ.
1350 MAIN STREET, SUITE 22
WALPOLE MA 02081 UNITED STATES

Applicant: Standard Aviation, LLC

Reference/Docket No. N/A

Correspondence Email Address: briana@connhill.com

NONFINAL OFFICE ACTION

The USPTO must receive applicant's response to this letter within six months of the issue date below or the application will be abandoned. Respond using the Trademark Electronic Application System (TEAS). A link to the appropriate TEAS response form appears at the end of this Office action.

Issue date: August 25, 2022

Introduction

The referenced application has been reviewed by the assigned trademark examining attorney. Applicant must respond timely and completely to the issue(s) below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

Summary of Issues

- Search Results - No Conflicting Marks Found
- Substitute Specimen Required

Search Results - No Conflicting Marks Found

The trademark examining attorney has searched the USPTO database of registered and pending marks and has found no conflicting marks that would bar registration under Trademark Act Section 2(d). 15 U.S.C. §1052(d); TMEP §704.02.

Substitute Specimen Required

Specimen does not show direct association between mark and services. Registration is refused because the specimen does not show a direct association between the mark and the services and fails to show the applied-for mark as actually used in commerce with the identified services in International Class 39. Trademark Act Sections 1 and 45, 15 U.S.C. §§1051, 1127; 37 C.F.R. §§2.34(a)(1)(iv), 2.56(a), (b)(2); TMEP §§904, 904.07(a), 1301.04(f)(ii), (g)(i). An application based on Trademark Act Section 1(a) must include a specimen showing the applied-for mark as actually used in commerce for each international class of services identified in the application or amendment to allege use. 15 U.S.C. §1051(a)(1); 37 C.F.R. §§2.34(a)(1)(iv), 2.56(a); TMEP §§904, 904.07(a).

When determining whether a mark is used in connection with the services in the application, a key consideration is the perception of the user. *In re JobDiva, Inc.*, 843 F.3d 936, 942, 121 USPQ2d 1122, 1126 (Fed. Cir. 2016) (citing *Lens.com, Inc. v. 1-800 Contacts, Inc.*, 686 F.3d 1376, 1381-82, 103 USPQ2d 1672, 1676 (Fed Cir. 2012)). A specimen must show the mark used in a way that would create in the minds of potential consumers a sufficient nexus or direct association between the mark and the services being offered. *See* 37 C.F.R. §2.56(b)(2); *In re Universal Oil Prods. Co.*, 476 F.2d 653, 655, 177 USPQ2d 456, 457 (C.C.P.A. 1973); TMEP §1301.04(f)(ii).

To show a direct association, specimens consisting of advertising or promotional materials must (1) explicitly reference the services and (2) show the mark used to identify the services and their source. *In re The Cardio Grp., LLC*, 2019 USPQ2d 227232, at *2 (TTAB 2019) (quoting *In re WAY Media, LLC*, 118 USPQ2d 1697, 1698 (TTAB 2016)); TMEP §1301.04(f)(ii). Although the exact nature of the services does not need to be specified in the specimen, there must be something that creates in the mind of the purchaser an association between the mark and the services. *In re Adair*, 45 USPQ2d 1211, 1215 (TTAB 1997) (quoting *In re Johnson Controls Inc.*, 33 USPQ2d 1318, 1320 (TTAB 1994)).

To show a direct association, specimens showing the mark used in rendering the identified services need not explicitly refer to those services, but “there must be something which creates in the mind of the purchaser an association between the mark and the service activity.” *In re The Cardio Grp., LLC*, 2019 USPQ2d 227232, at *1 (TTAB 2019) (citing *In re WAY Media, LLC*, 118 USPQ2d 1697, 1698 (TTAB 2016)).

In the present case, the specimen does not show a direct association between the mark and services in that there is no indication that applicant provides "aircraft parking" services. Specifically, applicant submitted a specimen of bottles of hand sanitizers bearing the mark, but there is nothing on the bottles that explicitly references the "aircraft parking" services for which applicant seeks registration. Thus, applicant must submit a substitute specimen showing use in commerce with "aircraft parking" services

as identified in the application.

Examples of specimens. Specimens for services must show a direct association between the mark and the services and include: (1) copies of advertising and marketing material, (2) a photograph of business signage or billboards, or (3) materials showing the mark in the sale, rendering, or advertising of the services. *See* 37 C.F.R. §2.56(b)(2), (c); TMEP §1301.04(a), (h)(iv)(C). Any webpage printout or screenshot submitted as a specimen must include the webpage’s URL and the date it was accessed or printed on the specimen itself, within the TEAS form that submits the specimen, or in a verified statement under 37 C.F.R. §2.20 or 28 U.S.C. §1746 in a later-filed response. *See* 37 C.F.R. §2.56(c); TMEP §§904.03(i), 1301.04(a).

Response options. Applicant may respond to this refusal by satisfying one of the following for each applicable international class:

(1) Submit a different specimen (a verified “[substitute](#)” [specimen](#)) that (a) was in actual use in commerce at least as early as the filing date of the application or prior to the filing of an amendment to allege use and (b) shows the mark in actual use in commerce for the services identified in the application or amendment to allege use. A “verified substitute specimen” is a specimen that is accompanied by the following statement made in a signed affidavit or supported by a declaration under 37 C.F.R. §2.20: “The substitute (or new, or originally submitted, if appropriate) specimen(s) was/were in use in commerce at least as early as the filing date of the application or prior to the filing of the amendment to allege use.” The substitute specimen cannot be accepted without this statement.

(2) Amend the filing basis to [intent to use under Section 1\(b\)](#) (which includes withdrawing an amendment to allege use, if one was filed), as no specimen is required before publication. This option will later necessitate additional fee(s) and filing requirements, including a specimen.

For an overview of the response options referenced above and instructions on how to satisfy these options using the online Trademark Electronic Application System (TEAS) form, see the [Specimen webpage](#).

Response guidelines. For this application to proceed, applicant must explicitly address each refusal and/or requirement in this Office action. For a refusal, applicant may provide written arguments and evidence against the refusal, and may have other response options if specified above. For a requirement, applicant should set forth the changes or statements. Please see “[Responding to Office Actions](#)” and the informational [video “Response to Office Action”](#) for more information and tips on responding.

Please call or email the assigned trademark examining attorney with questions about this Office action. Although an examining attorney cannot provide legal advice, the examining attorney can provide additional explanation about the refusal(s) and/or requirement(s) in this Office action. *See* TMEP §§705.02, 709.06.

The USPTO does not accept emails as responses to Office actions; however, emails can be used for informal communications and are included in the application record. *See* 37 C.F.R. §§2.62(c), 2.191; TMEP §§304.01-.02, 709.04-.05.

RESPONSE GUIDANCE

- **Missing the response deadline to this letter will cause the application to [abandon](#).** The response must be received by the USPTO before midnight **Eastern Time** of the last day of the response period. TEAS maintenance or [unforeseen circumstances](#) could affect an applicant's ability to timely respond.
- **[Responses signed by an unauthorized party](#)** are not accepted and can **cause the application to [abandon](#)**. If applicant does not have an attorney, the response must be signed by the individual applicant, all joint applicants, or someone with [legal authority to bind a juristic applicant](#). If applicant has an attorney, the response must be signed by the attorney.
- If needed, **find [contact information for the supervisor](#)** of the office or unit listed in the signature block.

United States Patent and Trademark Office (USPTO)

USPTO OFFICIAL NOTICE

Office Action (Official Letter) has issued
on August 25, 2022 for
U.S. Trademark Application Serial No. 97118635

A USPTO examining attorney has reviewed your trademark application and issued an Office action. You must respond to this Office action in order to avoid your application abandoning. Follow the steps below.

- (1) **[Read the Office action](#)**. This email is NOT the Office action.
- (2) **Respond to the Office action by the deadline** using the Trademark Electronic Application System (TEAS). Your response must be received by the USPTO on or before 11:59 p.m. **Eastern Time** of the last day of the response period. Otherwise, your application will be **[abandoned](#)**. See the Office action itself regarding how to respond.
- (3) **Direct general questions** about using USPTO electronic forms, the USPTO **[website](#)**, the application process, the status of your application, and whether there are outstanding deadlines to the **[Trademark Assistance Center \(TAC\)](#)**.

After reading the Office action, address any question(s) regarding the specific content to the USPTO examining attorney identified in the Office action.

GENERAL GUIDANCE

- **[Check the status](#) of your application periodically** in the **[Trademark Status & Document Retrieval \(TSDR\)](#)** database to avoid missing critical deadlines.
- **[Update your correspondence email address](#)** to ensure you receive important USPTO notices about your application.
- **[Beware of trademark-related scams](#)**. Protect yourself from people and companies that may try to take financial advantage of you. Private companies may call you and pretend to be the USPTO or may send you communications that resemble official USPTO documents to trick you. We will never request your credit card number or social security number over the phone. And all official USPTO correspondence will only be emailed from the domain “@uspto.gov.” Verify the correspondence originated from us by using your Serial Number in our database, **[TSDR](#)**, to confirm that it appears under the “Documents” tab, or contact the **[Trademark Assistance Center](#)**.

- **Hiring a U.S.-licensed attorney.** If you do not have an attorney and are not required to have one under the trademark rules, we encourage you to hire a U.S.-licensed attorney specializing in trademark law to help guide you through the registration process. The USPTO examining attorney is not your attorney and cannot give you legal advice, but rather works for and represents the USPTO in trademark matters.
