Issue date: August 24, 2022

The referenced application has been reviewed by the assigned trademark examining attorney. Applicant must respond timely and completely to the issue(s) below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

SEARCH OF USPTO DATABASE OF MARKS

SUMMARY OF ISSUES:

- Identification and Classification of Goods and Services - Classes 16, 38, and 45 Only
- Multiple-Class Application Requirements - Advisory
- Specimen Required - International Classes 16 and 38 Only
- Applicant Physical Domicile Address Required

IDENTIFICATION AND CLASSIFICATION OF GOODS AND SERVICES - CLASSES 16, 38, AND 45 ONLY

The identification of goods and services is indefinite and must be clarified because the entries lack requisite specificity and may belong in more than one international class. *See* 37 C.F.R. §2.32(a)(6); TMEP §1402.01. Applicant must amend the identification to specify the common commercial or generic name of the goods. *See* TMEP §1402.01. If the goods have no common commercial or generic name, applicant must describe the product, its main purpose, and its intended uses. *See id.* If the services have no common commercial or generic name, applicant must describe or explain the nature of the services using clear and succinct language. *See id.*

Applicant may adopt the following International Class 16 identification, if accurate:

Printed publications, namely, series of books, study guides, pamphlets, newsletters, and teaching **activity** guides in the fields of Christian teaching and inspiration

Applicant may adopt the following International Class 38 identification, if accurate:

Streaming of audio and video recordings featuring Christian teachings and inspiration **over the Internet**

Applicant may adopt the following International Class 41 identification, if accurate:

Education services, namely, providing seminars, workshops and classes via simulcast events, and live events in the nature of classes in the field of Christian music, teaching, and inspiration and distribution of training materials in connection therewith

Applicant may **add and adopt** the following International Class 9 identification, if accurate:

Downloadable educational publications, namely, **printable** study guides, pamphlets, newsletters, and teaching **activity** guides in the fields of Christian teaching and inspiration

If adding a class, applicant must comply with the multiple-class application requirements below.

Applicant may amend the identification to clarify or limit the goods and/or services, but not to broaden or expand the goods and/or services beyond those in the original application or as acceptably amended. *See* 37 C.F.R. §2.71(a); TMEP §1402.06. Generally, any deleted goods and/or services may not later be

reinserted. *See* TMEP §1402.07(e).

For assistance with identifying and classifying goods and services in trademark applications, please see the USPTO's online searchable [U.S. Acceptable Identification of Goods and Services Manual](#). *See* TMEP §1402.04.

MULTIPLE-CLASS APPLICATION REQUIREMENTS - ADVISORY

The application references goods and/or services based on use in commerce in more than one international class; therefore, applicant must satisfy all the requirements below for each international class:

(1) **List the goods and/or services by their international class number** in consecutive numerical order, starting with the lowest numbered class (for example, International Class 3: perfume; International Class 18: cosmetic bags sold empty).

(2) **Submit a filing fee for each international class** not covered by the fee(s) already paid (view the [USPTO's current fee schedule](#)). Specifically, the application identifies goods and/or services based on use in commerce that are classified in at least 5 classes; however, applicant submitted a fee(s) sufficient for only 4 class(es). Applicant must either (a) submit the filing fees for the classes not covered by the submitted fees or (b) restrict the application to the number of classes covered by the fees already paid.

(3) **Submit verified dates of first use of the mark** anywhere and in commerce for each international class. [See more information about verified dates of use.](#)

(4) **Submit a specimen for each international class.** The current specimen is acceptable for class(es) 41 and 45; and applicant needs a specimen for class(es) 16 and 38. [See more information about specimens.](#)

Examples of specimens. Specimens for goods include a photograph of (1) the actual goods bearing the mark; (2) an actual container, packaging, tag or label for the goods bearing the mark; or (3) a point-of-sale display showing the mark directly associated with the goods. *See* 37 C.F.R. §2.56(b)(1), (c); TMEP §904.03(a)-(m). A webpage specimen submitted as a display associated with the goods must show the mark in association with a picture or textual description of the goods and include information necessary for ordering the goods. TMEP §904.03(i); *see* 37 C.F.R. §2.56(b)(1), (c).

Specimens for services must show a direct association between the mark and the services and include: (1) copies of advertising and marketing material, (2) a photograph of business signage or billboards, or (3) materials showing the mark in the sale, rendering, or advertising of the services. *See* 37 C.F.R. §2.56(b)(2), (c); TMEP §1301.04(a), (h)(iv)(C).

Any webpage printout or screenshot submitted as a specimen must include the webpage's URL and the date it was accessed or printed on the specimen itself, within the TEAS form that submits the specimen, or in a verified statement under 37 C.F.R. §2.20 or 28 U.S.C. §1746 in a later-filed response. *See* 37 C.F.R. §2.56(c); TMEP §§904.03(i), 1301.04(a).

(5) **Submit a verified statement** that “The specimen was in use in commerce

on or in connection with the goods and/or services listed in the application at least as early as the filing date of the application.” [See more information about verification.](#)

See 37 C.F.R. §2.86(a); TMEP §§1403.01, 1403.02(c).

For an overview of the requirements for a Section 1(a) multiple-class application and how to satisfy the requirements online using the Trademark Electronic Application System (TEAS) form, see the [Multiple-class Application webpage](#).

SPECIMEN REQUIRED - INTERNATIONAL CLASS 16 AND 38 ONLY

Specimen does not show use of the mark in commerce. Registration is refused because the specimen does not show the applied-for mark as actually used in commerce in International Class(es) 16 and 38. Trademark Act Sections 1 and 45, 15 U.S.C. §§1051, 1127; 37 C.F.R. §§2.34(a)(1)(iv), 2.56(a); TMEP §§904, 904.07(a). An application based on Trademark Act Section 1(a) must include a specimen showing the applied-for mark as actually used in commerce for each international class of goods identified in the application or amendment to allege use. 15 U.S.C. §1051(a)(1); 37 C.F.R. §§2.34(a)(1)(iv), 2.56(a); TMEP §§904, 904.07(a).

Specifically, the specimen fails to show use of the mark in connection with International Class 16 printed publications. In addition, it fails to show the applicant is providing streaming services under the mark. While they may utilize streaming services to broadcast their ministry services, they are not a provider of streaming services to others.

Examples of specimens. Specimens for goods include a photograph of (1) the actual goods bearing the mark; (2) an actual container, packaging, tag or label for the goods bearing the mark; or (3) a point-of-sale display showing the mark directly associated with the goods. *See* 37 C.F.R. §2.56(b)(1), (c); TMEP §904.03(a)-(m). A webpage specimen submitted as a display associated with the goods must show the mark in association with a picture or textual description of the goods and include information necessary for ordering the goods. TMEP §904.03(i); *see* 37 C.F.R. §2.56(b)(1), (c). Any webpage printout or screenshot submitted as a specimen must include the webpage’s URL and the date it was accessed or printed on the specimen itself, within the TEAS form that submits the specimen, or in a verified statement under 37 C.F.R. §2.20 or 28 U.S.C. §1746 in a later-filed response. *See* 37 C.F.R. §2.56(c); TMEP §§904.03(i), 1301.04(a).

Specimens for services must show a direct association between the mark and the services and include: (1) copies of advertising and marketing material, (2) a photograph of business signage or billboards, or (3) materials showing the mark in the sale, rendering, or advertising of the services. *See* 37 C.F.R. §2.56(b)(2), (c); TMEP §1301.04(a), (h)(iv)(C). Any webpage printout or screenshot submitted as a specimen must include the webpage’s URL and the date it was accessed or printed on the specimen itself, within the TEAS form that submits the specimen, or in a verified statement under 37 C.F.R. §2.20 or 28 U.S.C. §1746 in a later-filed response. *See* 37 C.F.R. §2.56(c); TMEP §§904.03(i), 1301.04(a).

Response options. Applicant may respond to this refusal by satisfying one of the following for each applicable international class:

- (1) Submit a different specimen (a verified [“substitute” specimen](#)) that (a) was in actual use in commerce at least as early as the filing date of the application or prior to

the filing of an amendment to allege use and (b) shows the mark in actual use in commerce for the goods identified in the application or amendment to allege use. A “verified substitute specimen” is a specimen that is accompanied by the following statement made in a signed affidavit or supported by a declaration under 37 C.F.R. §2.20: “The substitute (or new, or originally submitted, if appropriate) specimen(s) was/were in use in commerce at least as early as the filing date of the application or prior to the filing of the amendment to allege use.” The substitute specimen cannot be accepted without this statement.

(2) Amend the filing basis to [intent to use under Section 1\(b\)](#) (which includes withdrawing an amendment to allege use, if one was filed), as no specimen is required before publication. This option will later necessitate additional fee(s) and filing requirements, including a specimen.

For an overview of the response options referenced above and instructions on how to satisfy these options using the online Trademark Electronic Application System (TEAS) form, see the [Specimen webpage](#).

APPLICANT'S PHYSICAL DOMICILE ADDRESS REQUIRED

Applicant must clarify its domicile street address because the domicile address of record identifies a post office box or mail forwarding service and does not appear to be applicant’s permanent legal place of residence or principal place of business. *See* 37 C.F.R. §§2.11(b), 2.189; TMEP §601.01(b)(1). A domicile address must identify either (1) the permanent legal place of residence, which is the place an individual applicant resides and intends to be the applicant’s principal home; or (2) the principal place of business, which is the juristic applicant’s headquarters where its senior executives or officers ordinarily direct and control the entity’s activities. *See* 37 C.F.R. §2.2(o)-(p); TMEP §803.05(a).

Applications must include an applicant’s domicile address because such domicile determines whether an applicant is required to have a U.S.-licensed attorney represent it before the USPTO. *See* 37 C.F.R. §§2.11(a), 2.32(a)(2); TMEP §§601, 803.05. An applicant whose domicile is located outside of the United States or its territories must be represented at the USPTO by an attorney who is an active member in good standing of the bar of the highest court of a U.S. state or territory. 37 C.F.R. §2.11(a); TMEP §601.01(a).

In this case, the application record lists applicant as a juristic entity and specifies applicant’s domicile as a post office box or mail forwarding service instead of a street address. In most cases, a post office box or mail forwarding service is not acceptable as a domicile address because it does not identify the location of applicant’s headquarters where its senior executives or officers ordinarily direct and control the entity’s activities. *See* 37 C.F.R. §2.2(o)-(p); TMEP §601.01(b)(1).

Response options. Applicant must provide its domicile street address. *See* 37 C.F.R. §§2.32(a)(2), 2.189; TMEP §803.05. Alternatively, applicant may provide documentation showing that the listed U.S. domicile address is, in fact, applicant’s domicile, or (2) a detailed explanation supporting that applicant has no fixed physical address. *See* 37 C.F.R. §2.11(b); TMEP §§601.01(b)-(b)(1), 803.05(a).

If applicant amends the application to list a domicile street address located outside of the United States or its territories, applicant must appoint a U.S.-licensed attorney under 37 C.F.R. §11.14 as its representative before the application may proceed to registration. *See* 37 C.F.R. §2.11(a); TMEP §601.01(a). *See* [Hiring a U.S.-licensed trademark attorney](#) for more information. However, if applicant

establishes its domicile street address is located within the United States or its territories, applicant is not required to appoint a qualified U.S.-licensed attorney. *See* TMEP §601.01(b).

To provide applicant's domicile street address. After opening the correct Trademark Electronic Application System (TEAS) response form and entering the serial number, (1) answer “yes” to question 5 and click “Continue;” (2) on the “Owner Information” page, in the “Domicile Address” field, uncheck the box stating the domicile and mailing address are not the same; and (3) below the checkbox provide applicant's domicile street address. Applicant's domicile street address will be hidden from public view if it is entered into the “Domicile Address” field. However, any street address listed in the “Mailing Address” field will be publicly viewable.

To provide documentation to support applicant's domicile address. Applicant should provide the most recent documentation showing that the address is the applicant's business headquarters, for example one of the following: (1) the most recent final annual or quarterly report or other similar report; or (2) a current, valid signed rental, lease, or mortgage agreement for office space. TMEP §601.01(b)-(b)(1); *see* 37 C.F.R. §2.11(b). Submitted documentation must show the name, listed domicile address, and the date of the document but should redact other personal and financial information.

To provide this documentation, open the correct TEAS response form and enter the serial number, answer “yes” to question 3, and on the “Additional Statement(s)” page, below the “Miscellaneous Statement” field, click the button below the text box to attach documentation to support the U.S. street address.

To provide a detailed explanation that applicant has no fixed physical address. If applicant has no physical headquarters where its senior executives or officers ordinarily direct and control the business (e.g., because the business is conducted virtually), applicant should state for the record that applicant has no fixed physical address and provide a detailed explanation of the circumstances.

To provide this explanation, open the correct TEAS response form and enter the serial number, answer “yes” to question 3, and on the “Additional Statement(s)” page, in the “Miscellaneous Statement” field, enter the referenced explanation in the text box.

To appoint a U.S.-licensed attorney in the application, applicant should submit a completed TEAS [Change Address or Representation](#) form. The newly-appointed attorney must submit a TEAS [Response to Examining Attorney Office Action](#) form indicating that an appointment of attorney has been made and address all other refusals or requirements in this action, if any. Alternatively, if applicant retains an attorney before filing the response, the attorney can respond to this Office action by using the appropriate TEAS response form and provide his or her attorney information in the form and sign it as applicant's attorney. *See* 37 C.F.R. §2.17(b)(1)(ii); TMEP §604.01.
