**United States Patent and Trademark Office (USPTO)**  
**Office Action (Official Letter) About Applicant's Trademark Application**

**U.S. Application Serial No.** 97118920

**Mark:** NATURAL 9

**Correspondence Address:**

LIZBETH G CEDENO

4655 BEST ROAD

LARKSPUR CO 80118 UNITED STATES

**Applicant:** Lizbeth G Cedeno

**Reference/Docket No.** N/A

**Correspondence Email Address:** lc\_005@hotmail.com

## **NONFINAL OFFICE ACTION**

**The USPTO must receive applicant's response to this letter within six months of the issue date below or the application will be abandoned.** Respond using the Trademark Electronic Application System (TEAS). A link to the appropriate TEAS response form appears at the end of this Office action.

**Issue date:** August 22, 2022

The referenced application has been reviewed by the assigned trademark examining attorney. Applicant must respond timely and completely to the issue(s) below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

### **Likelihood of Confusion**

Registration of the applied-for mark is refused because of a likelihood of confusion with the mark in U.S. Registration No. 6455855. Trademark Act Section 2(d), 15 U.S.C. §1052(d); *see* TMEP §§1207.01 *et seq.* See the attached registration.

Trademark Act Section 2(d) bars registration of an applied-for mark that is so similar to a registered mark that it is likely consumers would be confused, mistaken, or deceived as to the commercial source of the goods and/or services of the parties. *See* 15 U.S.C. §1052(d). Likelihood of confusion is determined on a case-by-case basis by applying the factors set forth in *In re E. I. du Pont de Nemours & Co.*, 476 F.2d 1357, 1361, 177 USPQ 563, 567 (C.C.P.A. 1973) (called the “*du Pont* factors”). *In re i.am.symbolic, llc*, 866 F.3d 1315, 1322, 123 USPQ2d 1744, 1747 (Fed. Cir. 2017). Any evidence of record related to those factors need be considered; however, “not all of the *DuPont* factors are relevant or of similar weight in every case.” *In re Guild Mortg. Co.*, 912 F.3d 1376, 1379, 129 USPQ2d 1160, 1162 (Fed. Cir. 2019) (quoting *In re Dixie Rests., Inc.*, 105 F.3d 1405, 1406, 41 USPQ2d 1531, 1533 (Fed. Cir. 1997)).

Although not all *du Pont* factors may be relevant, there are generally two key considerations in any likelihood of confusion analysis: (1) the similarities between the compared marks and (2) the relatedness of the compared goods and/or services. *See In re i.am.symbolic, llc*, 866 F.3d at 1322, 123 USPQ2d at 1747 (quoting *Herbko Int'l, Inc. v. Kappa Books, Inc.*, 308 F.3d 1156, 1164-65, 64 USPQ2d 1375, 1380 (Fed. Cir. 2002)); *Federated Foods, Inc. v. Fort Howard Paper Co.*, 544 F.2d 1098, 1103, 192 USPQ 24, 29 (C.C.P.A. 1976) ("The fundamental inquiry mandated by [Section] 2(d) goes to the cumulative effect of differences in the essential characteristics of the goods [or services] and differences in the marks."); TMEP §1207.01.

In this case, the applied-for mark, NATURAL 9 and design, is highly similar to the registrant's mark, NATURAL 9. The word portions of the marks are identical in appearance, sound, connotation, and commercial impression; therefore, the addition of a non-distinctive design element does not obviate the similarity of the marks in this case. *See In re Shell Oil Co.*, 992 F.2d 1204, 1206, 26 USPQ2d 1687, 1688 (Fed. Cir. 1993); TMEP §1207.01(c)(ii).

Furthermore, the goods are closely related. The applicant's goods are "Shirts; Long-sleeved shirts; Sweat shirts." The registrant's goods are "Belts."

Decisions regarding likelihood of confusion in the clothing field have found many different types of apparel to be related. *Cambridge Rubber Co. v. Cluett, Peabody & Co.*, 286 F.2d 623, 624, 128 USPQ 549, 550 (C.C.P.A. 1961) (women's boots related to men's and boys' underwear); *Gen. Shoe Corp. v. Hollywood-Maxwell Co.*, 277 F.2d 169, 169-70, 125 USPQ2d 443, 443-4 (C.C.P.A. 1960) (shoes and hosiery related to brassieres); *In re Embiid*, 2021 USPQ2d 577, at \*29-30 (TTAB 2021) (shoes related to shirts and sweat shirts); *Jockey Int'l, Inc. v. Mallory & Church Corp.*, 25 USPQ2d 1233, 1236 (TTAB 1992) (underwear related to neckties); *In re Melville Corp.*, 18 USPQ2d 1386, 1388 (TTAB 1991) (women's pants, blouses, shorts and jackets related to women's shoes); *In re Pix of Am., Inc.*, 225 USPQ 691, 691-92 (TTAB 1985) (women's shoes related to outer shirts); *In re Mercedes Slacks, Ltd.*, 213 USPQ 397, 398-99 (TTAB 1982) (hosiery related to trousers); *In re Cook United, Inc.*, 185 USPQ 444, 445 (TTAB 1975) (men's suits, coats, and trousers related to ladies' pantyhose and hosiery); *Esquire Sportswear Mfg. Co. v. Genesco Inc.*, 141 USPQ 400, 404 (TTAB 1964) (brassieres and girdles related to slacks for men and young men).

The trademark examining attorney has attached evidence from the USPTO's X-Search database consisting of a representative sampling of third-party marks registered for use in connection with the same or similar goods and/or services as those of both applicant and registrant in this case. This evidence shows that the goods and/or services listed therein, namely shirts and belts, are of a kind that may emanate from a single source under a single mark. *See In re I-Coat Co.*, 126 USPQ2d 1730, 1737 (TTAB 2018) (citing *In re Infinity Broad. Corp.*, 60 USPQ2d 1214, 1217-18 (TTAB 2001); *In re Albert Trostel & Sons Co.*, 29 USPQ2d 1783, 1785-86 (TTAB 1993); *In re Mucky Duck Mustard Co.*, 6 USPQ2d 1467, 1470 n.6 (TTAB 1988)); TMEP §1207.01(d)(iii).

The overriding concern is not only to prevent buyer confusion as to the source of the goods and/or services, but to protect the registrant from adverse commercial impact due to use of a similar mark by a newcomer. *See In re Shell Oil Co.*, 992 F.2d 1204, 1208, 26 USPQ2d 1687, 1690 (Fed. Cir. 1993). Therefore, any doubt regarding a likelihood of confusion determination is resolved in favor of the registrant. TMEP §1207.01(d)(i); *see Hewlett-Packard Co. v. Packard Press, Inc.*, 281 F.3d 1261, 1265, 62 USPQ2d 1001, 1003 (Fed. Cir. 2002); *In re Hyper Shoppes (Ohio), Inc.*, 837 F.2d 463, 464-65, 6 USPQ2d 1025, 1026 (Fed. Cir. 1988).

In this case, since the marks are highly similar and the goods are closely related, there is a substantial likelihood of confusion as to the source of the goods.

Although applicant's mark has been refused registration, applicant may respond to the refusal(s) by submitting evidence and arguments in support of registration.

If applicant responds to the refusal(s), applicant must also respond to the requirement(s) set forth below.

### **Applicant's Name and Entity Type**

The name of an individual person appears in the section of the application intended for the trademark owner's name; however, the legal entity is set forth as a limited liability company. Applicant must clarify this inconsistency. *See* 37 C.F.R. §§2.32(a)(2), (a)(3)(i)-(ii), 2.61(b); TMEP §803.02(a).

If applicant is an individual, applicant should simply request that the legal entity be amended to "individual" and must indicate his/her country of citizenship for the record. 37 C.F.R. §2.32(a)(3)(i); TMEP §803.03(a). Alternatively, if applicant is a limited liability company, applicant must provide the correct name of the limited liability company and the U.S. state or foreign country of incorporation or organization. 37 C.F.R. §2.32(a)(3)(ii); TMEP §803.03(h).

If, in response to the above request, applicant provides information indicating that it is not the owner of the mark, registration may be refused because the application was void as filed. *See* 37 C.F.R. §2.71(d); TMEP §§803.06, 1201.02(b). An application must be filed by the party who owns or is entitled to use the mark as of the application filing date. *See* 37 C.F.R. §2.71(d); TMEP §1201.02(b).

The applicant should also note the following potential grounds for refusal.

### **Prior-Pending Application**

The filing date of pending U.S. Application Serial No. 90901783 precedes applicant's filing date. *See* attached referenced application. If the mark in the referenced application registers, applicant's mark may be refused registration under Trademark Act Section 2(d) because of a likelihood of confusion between the two marks. *See* 15 U.S.C. §1052(d); 37 C.F.R. §2.83; TMEP §§1208 *et seq.* Therefore, upon receipt of applicant's response to this Office action, action on this application may be suspended pending final disposition of the earlier-filed referenced application.

In response to this Office action, applicant may present arguments in support of registration by addressing the issue of the potential conflict between applicant's mark and the mark in the referenced application. Applicant's election not to submit arguments at this time in no way limits applicant's right to address this issue later if a refusal under Section 2(d) issues.

**Response guidelines.** For this application to proceed, applicant must explicitly address each refusal and/or requirement in this Office action. For a refusal, applicant may provide written arguments and evidence against the refusal, and may have other response options if specified above. For a requirement, applicant should set forth the changes or statements. Please see "[Responding to Office Actions](#)" and the informational [video "Response to Office Action"](#) for more information and tips on responding.

Because of the legal technicalities and strict deadlines of the trademark application process, applicant is encouraged to hire a private attorney who specializes in trademark matters to assist in this process. The assigned trademark examining attorney can provide only limited assistance explaining the content of an Office action and the application process. USPTO staff cannot provide legal advice or statements about an applicant's legal rights. TMEP §§705.02, 709.06. See [Hiring a U.S.-licensed trademark attorney](#) for more information.

Please call or email the assigned trademark examining attorney with questions about this Office action. Although an examining attorney cannot provide legal advice, the examining attorney can provide additional explanation about the refusal(s) and/or requirement(s) in this Office action. *See* TMEP §§705.02, 709.06.

The USPTO does not accept emails as responses to Office actions; however, emails can be used for informal communications and are included in the application record. *See* 37 C.F.R. §§2.62(c), 2.191; TMEP §§304.01-.02, 709.04-.05.

**How to respond.** [Click to file a response to this nonfinal Office action.](#)

## RESPONSE GUIDANCE

- **Missing the response deadline to this letter will cause the application to [abandon](#).** The response must be received by the USPTO before midnight **Eastern Time** of the last day of the response period. TEAS maintenance or [unforeseen circumstances](#) could affect an applicant's ability to timely respond.
- **[Responses signed by an unauthorized party](#)** are not accepted and can **cause the application to [abandon](#)**. If applicant does not have an attorney, the response must be signed by the individual applicant, all joint applicants, or someone with [legal authority to bind a juristic applicant](#). If applicant has an attorney, the response must be signed by the attorney.
- If needed, **find [contact information for the supervisor](#)** of the office or unit listed in the signature block.

## United States Patent and Trademark Office (USPTO)

### USPTO OFFICIAL NOTICE

Office Action (Official Letter) has issued  
on August 22, 2022 for  
**U.S. Trademark Application Serial No. 97118920**

A USPTO examining attorney has reviewed your trademark application and issued an Office action. You must respond to this Office action in order to avoid your application abandoning. Follow the steps below.

- (1) **[Read the Office action](#)**. This email is NOT the Office action.
- (2) **Respond to the Office action by the deadline** using the Trademark Electronic Application System (TEAS). Your response must be received by the USPTO on or before 11:59 p.m. **Eastern Time** of the last day of the response period. Otherwise, your application will be **[abandoned](#)**. See the Office action itself regarding how to respond.
- (3) **Direct general questions** about using USPTO electronic forms, the USPTO **[website](#)**, the application process, the status of your application, and whether there are outstanding deadlines to the **[Trademark Assistance Center \(TAC\)](#)**.

After reading the Office action, address any question(s) regarding the specific content to the USPTO examining attorney identified in the Office action.

### GENERAL GUIDANCE

- **[Check the status](#) of your application periodically** in the **[Trademark Status & Document Retrieval \(TSDR\)](#)** database to avoid missing critical deadlines.
- **[Update your correspondence email address](#)** to ensure you receive important USPTO notices about your application.
- **[Beware of trademark-related scams](#)**. Protect yourself from people and companies that may try to take financial advantage of you. Private companies may call you and pretend to be the USPTO or may send you communications that resemble official USPTO documents to trick you. We will never request your credit card number or social security number over the phone. And all official USPTO correspondence will only be emailed from the domain “@uspto.gov.” Verify the correspondence originated from us by using your Serial Number in our database, **[TSDR](#)**, to confirm that it appears under the “Documents” tab, or contact the **[Trademark Assistance Center](#)**.

- **Hiring a U.S.-licensed attorney.** If you do not have an attorney and are not required to have one under the trademark rules, we encourage you to hire a U.S.-licensed attorney specializing in trademark law to help guide you through the registration process. The USPTO examining attorney is not your attorney and cannot give you legal advice, but rather works for and represents the USPTO in trademark matters.
