**United States Patent and Trademark Office (USPTO)  
Office Action (Official Letter) About Applicant's Trademark Application**

**U.S. Application Serial No.** 97119795

**Mark:** KINGMAN

**Correspondence Address:**

KINGMAN TRANSPORT CORPORATION  
121 1/2 NFRANKLIN ST  
ALLENTOWN PA 18102 UNITED STATES

**Applicant:** KINGMAN TRANSPORT CORPORATION

**Reference/Docket No.** N/A

**Correspondence Email Address:** [INFO@KINGMANTRANSPORT.COM](mailto:INFO@KINGMANTRANSPORT.COM)

**NONFINAL OFFICE ACTION**

**The USPTO must receive applicant's response to this letter within six months of the issue date below or the application will be [abandoned](#).** Respond using the Trademark Electronic Application System (TEAS). A link to the appropriate TEAS response form appears at the end of this Office action.

**Issue date:** August 27, 2022

The referenced application has been reviewed by the assigned trademark examining attorney. Applicant must respond timely and completely to the issues below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a),

2.65(a); TMEP §§711, 718.03.

#### **SUMMARY OF ISSUES:**

- Section 2(e)(4) Refusal - Primarily Merely a Surname
- Sections 1 and 45 Refusal - Specimen Not Acceptable

#### **SEARCH OF OFFICE'S DATABASE OF MARKS**

The trademark examining attorney has searched the Office's database of registered and pending marks and has found no conflicting marks that would bar registration under Trademark Act Section 2(d). TMEP §704.02; *see* 15 U.S.C. §1052(d).

However, applicant must respond to the following refusals.

#### **SECTION 2(e)(4) REFUSAL - PRIMARILY MERELY A SURNAME**

Registration is refused because the applied-for mark is primarily merely a surname. Trademark Act Section 2(e)(4), 15 U.S.C. §1052(e)(4); *see* TMEP §1211.

An applicant's mark is primarily merely a surname if the surname, when viewed in connection with the applicant's recited goods and/or services, "is the primary significance of the mark as a whole to the purchasing public." *Earnhardt v. Kerry Earnhardt, Inc.*, 864 F.3d 1374, 1377, 123 USPQ2d 1411, 1413 (Fed. Cir. 2017) (quoting *In re Hutchinson Tech. Inc.*, 852 F.2d 552, 554, 7 USPQ2d 1490, 1492 (Fed. Cir. 1988)); TMEP §1211.01.

The following five inquiries are often used to determine the public's perception of a term's primary significance:

- (1) Whether the surname is rare;
- (2) Whether anyone connected with applicant uses the term as a surname;
- (3) Whether the term has any recognized meaning other than as a surname;
- (4) Whether the term has the structure and pronunciation of a surname; and
- (5) Whether the term is sufficiently stylized to remove its primary significance from that of a surname.

*In re Colors in Optics, Ltd.*, 2020 USPQ2d 53784, at \*1-2 (TTAB 2020) (citing *In re Benthin Mgmt. GmbH*, 37 USPQ2d 1332, 1333-34 (TTAB 1995) for the *Benthin* inquiries/factors); TMEP §1211.01; *see also In re Etablissements Darty et Fils*, 759 F.2d 15, 16-18, 225 USPQ 652, 653 (Fed. Cir. 1985).

These inquiries or factors are not exclusive, and any of these circumstances – singly or in combination – and any other relevant circumstances may be considered when making this determination. *In re tapio GmbH*, 2020 USPQ2d 11387, at \*9 (TTAB 2020) (citing *In re Eximius Coffee, LLC*, 120 USPQ2d 1276, 1277-78 (TTAB 2016)); TMEP §1211.01. For example, when the applied-for mark is not stylized, it is unnecessary to consider the fifth inquiry. *In re Yeley*, 85 USPQ2d 1150, 1151 (TTAB 2007); TMEP §1211.01.

See the attached evidence from *Lexis Nexis*, establishing the surname significance of "Kingman." This evidence shows the applied-for mark appearing 2,277 times as a surname in the LEXISNEXIS® surname database, which is a weekly updated directory of cell phone and other phone numbers (such as voice over IP) from various data providers. Furthermore, the attached evidence from *Forebears* shows that 3,092 persons in the world bear the surname "Kingman," including 1,895 persons in the United States. Accordingly, the evidence of record establishes that the surname Kingman is not rare.

Furthermore, evidence that a term has no recognized meaning or significance other than as a surname is relevant to determining whether the term would be perceived as primarily merely a surname. *See In re tapio GmbH*, 2020 USPQ2d 11387, at \*11 (TTAB 2020); *In re Weiss Watch Co.*, 123 USPQ2d 1200, 1203 (TTAB 2017); TMEP §1211.02(b)(vi). The attached evidence from *Macmillan Dictionary* and *Cambridge Dictionary* shows that "Kingman" does not appear in the dictionary. Thus, this term appears to have no recognized meaning or significance other than as a surname.

Finally, the applied-for mark is in standard character form, thereby lacking any stylization to remove its primary significance from that of a surname.

Based upon the balance of the aforementioned factors, the applied-for mark **KINGMAN** is primarily merely a surname. Therefore, registration is refused pursuant to Trademark Act Section 2(e)(4).

Applicant should note the following additional ground for refusal.

## **SECTIONS 1 AND 45 REFUSAL - SPECIMEN NOT ACCEPTABLE**

### **THIS PARTIAL REFUSAL APPLIES TO INTERNATIONAL CLASS 035 ONLY**

**Specimen does not show use of the mark in commerce.** Registration is refused because the specimen does not show the applied-for mark as actually used in commerce in International Class 035. Trademark Act Sections 1 and 45, 15 U.S.C. §§1051, 1127; 37 C.F.R. §§2.34(a)(1)(iv), 2.56(a); TMEP §§904, 904.07(a), 1301.04(g)(i). An application based on Trademark Act Section 1(a) must include a specimen showing the applied-for mark as actually used in commerce for each international class of services identified in the application or amendment to allege use. 15 U.S.C. §1051(a)(1); 37 C.F.R. §§2.34(a)(1)(iv), 2.56(a); TMEP §§904, 904.07(a).

Specifically, the specimen does not show use of the applied-for mark **KINGMAN** for the rendering of or advertising for the services identified in International Class 035, namely, retail apparel services. Rather, the specimen merely shows the applied-for mark on a pair of sunglasses. Therefore, the specimen does not show use of the applied-for mark in commerce in International Class 035.

**Examples of specimens.** Specimens for services must show a direct association between the mark and the services and include: (1) copies of advertising and marketing material, (2) a photograph of business signage or billboards, or (3) materials showing the mark in the sale, rendering, or advertising of the services. *See* 37 C.F.R. §2.56(b)(2), (c); TMEP §1301.04(a), (h)(iv)(C). Any webpage printout or screenshot submitted as a specimen must include the webpage's URL and the date it was accessed or printed on the specimen itself, within the TEAS form that submits the specimen, or in a verified statement under 37 C.F.R. §2.20 or 28 U.S.C. §1746 in a later-filed response. *See* 37 C.F.R. §2.56(c); TMEP §§904.03(i), 1301.04(a).

**Response options.** Applicant may respond to this refusal by satisfying one of the following for each applicable international class:

(1) Submit a different specimen (a verified “[substitute](#)” [specimen](#)) that (a) was in actual use in commerce at least as early as the filing date of the application and (b) shows the mark in actual use in commerce for the services identified in the application. A “verified substitute specimen” is a specimen that is accompanied by the following statement made in a signed affidavit or supported by a declaration under 37 C.F.R. §2.20: “The substitute (or new, or originally submitted, if appropriate) specimen(s) was/were in use in commerce at least as early as the filing date of the application or prior to the filing of the amendment to allege use.” The substitute specimen cannot be accepted without this statement.

(2) Amend the filing basis to [intent to use under Section 1\(b\)](#) (which includes withdrawing an amendment to allege use, if one was filed), as no specimen is required before publication. This option will later necessitate additional fee(s) and filing requirements, including a specimen.

For an overview of the response options referenced above and instructions on how to satisfy these options using the online Trademark Electronic Application System (TEAS) form, see the [Specimen webpage](#).

Although applicant’s mark has been refused registration, applicant may respond to the refusals by submitting evidence and arguments in support of registration.

## **TRADEMARK COUNSEL SUGGESTED**

Because of the legal technicalities and strict deadlines of the trademark application process, applicant is encouraged to hire a private attorney who specializes in trademark matters to assist in this process. The assigned trademark examining attorney can provide only limited assistance explaining the content of an Office action and the application process. USPTO staff cannot provide legal advice or statements about an applicant’s legal rights. TMEP §§705.02, 709.06. See [Hiring a U.S.-licensed trademark attorney](#) for more information.

**How to respond.** [Click to file a response to this nonfinal Office action.](#)

/Obieze Mmeje/  
Obieze Mmeje  
(571) 272-7694  
[obieze.mmeje@uspto.gov](mailto:obieze.mmeje@uspto.gov)

## **RESPONSE GUIDANCE**

- **Missing the response deadline to this letter will cause the application to [abandon](#).** The response must be received by the USPTO before midnight **Eastern Time** of the last day of the response period. TEAS maintenance or [unforeseen circumstances](#) could affect an applicant's ability to timely respond.
- **[Responses signed by an unauthorized party](#)** are not accepted and can **cause the application to [abandon](#)**. If applicant does not have an attorney, the response must be signed by the individual applicant, all joint applicants, or someone with [legal authority to bind a juristic applicant](#). If applicant has an attorney, the response must be signed by the attorney.
- If needed, **find [contact information for the supervisor](#)** of the office or unit listed in the signature block.

= Kingsman, q.v.

— *Surnames of the United Kingdom* (1912) by Henry Harrison

---

Analogous to Cousin.

— *Patronymica Britannica* (1860) by Mark Antony Lower

---

The surname King has two origins. One is the Old English word *Cyng*, 'a king', which was used in Old English times as a personal name and may have given rise to a surname. The

other, and by far the more common, is a nickname 'king' found in many villages in medieval England. Experts believe that the most common designation of the name was for men who governed the rituals of harvest-time in medieval villages. Sometimes these rites were celebrated with annual pageants and masques, where the same parts were often taken by the same individual year after year. Thus he who played the part of king often found the name attached to him.

Alternatively the nickname may have been an ironic reference to the overbearing, swaggering manner of someone in the village. Or it may have been used as an occupational name for someone in the King's service-i.e. a servant of the King, a King's messenger, or sometimes simply a tax collector.

In extremely rare cases, it is thought that the name King was given to an illegitimate offspring of royal descent. However, many authorities doubt whether this ever happened.

The surname King has many related names. Most of them are place names-given to someone who came from a particular place. The best known of these are Kingsbury (places in Middlesex and Somerset), Kingsford (Hampshire and Suffolk), and Kingston (the official name of Hull, and the town in Surrey).

Variants on the name King appear in many of the early records, but perhaps the earliest reference to the name as we know it is in the Pipe Rolls for Cambridgeshire. There in 1177 one Geoffrey King is mentioned.

Martin Luther King (1929—68) was the black American civil rights leader whose example did more to advance his people's rights than any other of his generation. In 1964 he was awarded the Nobel Peace Prize, but just four years later was killed by an assassin's bullet.

British botanist Francis Ward Kingdon (1885—1958) discovered and began cultivation of the Himalayan blue poppy. In half a century of pioneering expeditions he made 25 journeys to the eastern Himalayas.

Unconventional Louisiana governor Huey Long was nicknamed 'The Kingfish' by his poverty-stricken adulatory followers, to signify his supremacy in their affections.

American politician John Alsop King persuaded the 1855 state convention of the Whig Party to adopt 'Republican' as the party's name. It has remained that ever since.

William Mackenzie King (1874—1950) was Canada's Prime Minister a remarkable three times during his 30 years as head of the Liberal Party.

President Charles King of Liberia was elected into office in 1928 by a massive 600,000 majority. It was an amazing feat in a country whose electorate was then just 15,000.

King takes pride of place when it comes to name-related towns, cities and geographic features. In all, 106 towns and cities in the United Kingdom are King-related. These range from Kingarth to Kingswelton and include 9 Kingstons and 7 Kingswoods. The US has 45 such towns and cities, Canada has 4, Australia 10, New Zealand 2, and South Africa 5. Kingston is Jamaica's capital. Numerous geographic features bear the generic name or are named for specific kings (King George's Reservoir, King Edward River, King Lear Mountain, King Leopold range, etc.) With about 136,000 namesakes King is the 34th most popular surname in England and Wales. There are over 7,000 Kings in Scotland where it is 98th in popularity. In Ireland it is estimated that with about 9,000, King is the 86th most popular surname. King is notably popular in and around Bristol where an estimated one in about 368 families bears the name. In descending numerical order Leicester, London and Coventry are other King strongholds. Around the world Kings are most common in Sydney (one in 499 families), Auckland (one in 520) and Wellington (one in 524). The United States has more Kings than the entire population of Bristol—an estimated total of just over 456,000 makes this their 28th most popular surname.

## United States Patent and Trademark Office (USPTO)

### USPTO OFFICIAL NOTICE

Office Action (Official Letter) has issued  
on August 27, 2022 for  
**U.S. Trademark Application Serial No. 97119795**

A USPTO examining attorney has reviewed your trademark application and issued an Office action. You must respond to this Office action in order to avoid your application abandoning. Follow the steps below.

- (1) **[Read the Office action](#)**. This email is NOT the Office action.
- (2) **Respond to the Office action by the deadline** using the Trademark Electronic Application System (TEAS). Your response must be received by the USPTO on or before 11:59 p.m. **Eastern Time** of the last day of the response period. Otherwise, your application will be **[abandoned](#)**. See the Office action itself regarding how to respond.
- (3) **Direct general questions** about using USPTO electronic forms, the USPTO **[website](#)**, the application process, the status of your application, and whether there are outstanding deadlines to the **[Trademark Assistance Center \(TAC\)](#)**.

After reading the Office action, address any question(s) regarding the specific content to the USPTO examining attorney identified in the Office action.

### GENERAL GUIDANCE

- **[Check the status](#) of your application periodically** in the **[Trademark Status & Document Retrieval \(TSDR\)](#)** database to avoid missing critical deadlines.
- **[Update your correspondence email address](#)** to ensure you receive important USPTO notices about your application.
- **[Beware of trademark-related scams](#)**. Protect yourself from people and companies that may try to take financial advantage of you. Private companies may call you and pretend to be the USPTO or may send you communications that resemble official USPTO documents to trick you. We will never request your credit card number or social security number over the phone. And all official USPTO correspondence will only be emailed from the domain “@uspto.gov.” Verify the correspondence originated from us by using your Serial Number in our database, **[TSDR](#)**, to confirm that it appears under the “Documents” tab, or contact the **[Trademark Assistance Center](#)**.

- **Hiring a U.S.-licensed attorney.** If you do not have an attorney and are not required to have one under the trademark rules, we encourage you to hire a U.S.-licensed attorney specializing in trademark law to help guide you through the registration process. The USPTO examining attorney is not your attorney and cannot give you legal advice, but rather works for and represents the USPTO in trademark matters.
