United States Patent and Trademark Office (USPTO)
Office Action (Official Letter) About Applicant's Trademark Application

U.S. Application Serial No. 97120291

Mark: DIGIMOMPREENEUR

Correspondence Address:

MICHELLE J. MILLEER
THE M. J. MILLER LAW FIRM, LLC
200 EAST RANDOLPH STREET
SUITE 5100
CHICAGO IL 60601 UNITED STATES

Applicant: Green, Rasheeda

Reference/Docket No. 01-RG-2021

Correspondence Email Address: mjmlaw2018@gmail.com

NONFINAL OFFICE ACTION

The USPTO must receive applicant's response to this letter within six months of the issue date below or the application will be abandoned. Respond using the Trademark Electronic Application System (TEAS). A link to the appropriate TEAS response form appears at the end of this Office action.

Issue date: August 23, 2022

The referenced application has been reviewed by the assigned trademark examining attorney. Applicant must respond timely and completely to the issue(s) below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

SUMMARY OF ISSUES:

- Mark is merely descriptive
- Option to overcome refusal

SEARCH RESULT

The trademark examining attorney has searched the USPTO database of registered and pending marks and has found no conflicting marks that would bar registration under Trademark Act Section 2(d). 15 U.S.C. §1052(d); TMEP §704.02.

SECTION 2(e)(1) REFUSAL--MARK IS MERELY DESCRIPTIVE

Registration is refused because the applied-for mark merely describes the applicant's services. Trademark Act Section 2(e)(1), 15 U.S.C. §1052(e)(1); *see* TMEP §§1209.01(b), 1209.03 *et seq.*

A mark is merely descriptive if it describes an ingredient, quality, characteristic, function, feature, purpose, or use of an applicant's goods and/or services. TMEP §1209.01(b); *see, e.g., In re TriVita, Inc.*, 783 F.3d 872, 874, 114 USPQ2d 1574, 1575 (Fed. Cir. 2015) (quoting *In re Oppedahl & Larson LLP*, 373 F.3d 1171, 1173, 71 USPQ2d 1370, 1371 (Fed. Cir. 2004)); *In re Steelbuilding.com*, 415 F.3d 1293, 1297, 75 USPQ2d 1420, 1421 (Fed. Cir. 2005) (citing *Estate of P.D. Beckwith, Inc. v. Comm'r of Patents*, 252 U.S. 538, 543 (1920)).

The determination of whether a mark is merely descriptive is made in relation to an applicant's goods and/or services, not in the abstract. *DuoProSS Meditech Corp. v. Inviro Med. Devices, Ltd.*, 695 F.3d 1247, 1254, 103 USPQ2d 1753, 1757 (Fed. Cir. 2012); *In re The Chamber of Commerce of the U.S.*, 675 F.3d 1297, 1300, 102 USPQ2d 1217, 1219 (Fed. Cir. 2012); TMEP §1209.01(b). "Whether consumers could guess what the product [or service] is from consideration of the mark alone is not the test." *In re Am. Greetings Corp.*, 226 USPQ 365, 366 (TTAB 1985). Determining the descriptiveness of a mark is done in relation to an applicant's goods and/or services, the context in which the mark is being used, and the possible significance the mark would have to the average purchaser because of the manner of its use or intended use. *See In re The Chamber of Commerce of the U.S.*, 675 F.3d 1297, 1300, 102 USPQ2d 1217, 1219 (Fed. Cir. 2012) (citing *In re Bayer Aktiengesellschaft*, 488 F.3d 960, 963-64, 82 USPQ2d 1828, 1831 (Fed. Cir. 2007)); TMEP §1209.01(b). Descriptiveness of a mark is not considered in the abstract. *In re Bayer Aktiengesellschaft*, 488 F.3d at 963-64, 82 USPQ2d at 1831.

"A mark may be merely descriptive even if it does not describe the 'full scope and extent' of the applicant's goods or services." *In re Oppedahl & Larson LLP*, 373 F.3d 1171, 1173, 71 USPQ2d 1370, 1371 (Fed. Cir. 2004) (citing *In re Dial-A-Mattress Operating Corp.*, 240 F.3d 1341, 1346, 57 USPQ2d 1807, 1812 (Fed. Cir. 2001)); TMEP §1209.01(b). It is enough if a mark describes only one significant function, attribute, or property. *In re The Chamber of Commerce of the U.S.*, 675 F.3d 1297, 1300, 102 USPQ2d 1217, 1219 (Fed. Cir. 2012); TMEP §1209.01(b); *see In re Oppedahl & Larson LLP*, 373 F.3d at 1173, 71 USPQ2d at 1371.

The mark is DIGIMOMPREENEUR for marketing and online retail store services and educational services, podcasts, and coaching services. The mark is merely descriptive of the services. DIGI is the abbreviation for "digital" or electronic means and MOMPREENEUR refers to a woman who is a mother and an entrepreneur. Please see the attached definitions. The applicant's services are provided electronically or digitally for mompreneurs.

Two major reasons for not protecting descriptive marks are (1) to prevent the owner of a descriptive mark from inhibiting competition in the marketplace and (2) to avoid the possibility of costly infringement suits brought by the trademark or service mark owner. *In re Abcor Dev. Corp.*, 588 F.2d 811, 813, 200 USPQ 215, 217 (C.C.P.A. 1978); TMEP §1209. Businesses and competitors should be free to use descriptive language when describing their own goods and/or services to the public in advertising and marketing materials. *See In re Styleclick.com Inc.*, 58 USPQ2d 1523, 1527 (TTAB 2001). Others providing the same or similar services would require the use of the wording(s) without fear of infringement suit.

Accordingly, the mark is not registrable on the Principal Register.

Although applicant's mark has been refused registration, applicant may respond to the refusal(s) by submitting evidence and arguments in support of registration.

OPTION TO OVERCOME REFUSAL--SUPPLEMENTAL REGISTER

Although an amendment to the Supplemental Register would normally be an appropriate response to this refusal(s), such a response is not appropriate in the present case. The instant application was filed under Trademark Act Section 1(b) and is not eligible for registration on the Supplemental Register until an acceptable amendment to allege use meeting the requirements of 37 C.F.R. §2.76 has been timely filed. 37 C.F.R. §2.47(d); TMEP §§816.02, 1102.03.

If applicant files an acceptable allegation of use and also amends to the Supplemental Register, the application effective filing date will be the date applicant met the minimum filing requirements under 37 C.F.R. §2.76(c) for an amendment to allege use. TMEP §§816.02, 1102.03; *see* 37 C.F.R. §2.75(b). In addition, the undersigned trademark examining attorney will conduct a new search of the USPTO records for conflicting marks based on the later application filing date. TMEP §§206.01, 1102.03.

Please note that applications on the Supplemental Register are not subject to opposition under 15 U.S.C. §1063; TMEP § 815. Upon approval of the mark for registration, the record will indicate that the mark has been "Allowed for Supplemental Registration" rather than that the mark has been approved for publication. Marks on the Supplemental Register are not published for opposition, but are issued as **registered marks** on the date that they are printed in the *Official Gazette*. TMEP § 815.

Mompreneur

From Wikipedia, the free encyclopedia

This article is about the catchphrase. For a full discussion of the social, economic, and political phenomena to which the phrase refers, see [Work at home parent](#).

A **mompreneur** is a female business owner who actively balances the roles of mother and of entrepreneur.^[1] The term was introduced in about 1994.^[2]

The term has a dedicated section on *Entrepreneur* magazine's website.^[3] There is also a Canadian magazine devoted to the topic, The MOMpreneur Magazine.^[4] A 2011 MSNBC article declared the rise of the mompreneur to be a hot topic in the small business sector.^[1]

Investopedia adds that "mompreneurs are a relatively new trend in entrepreneurship, and have come to increased prominence in the internet age, with the internet allowing entrepreneurs to sell products out of their homes" rather than relying on foot traffic to brick-and-mortar business.^[5]

A 2010 article in *U.S. News & World Report* tried to dispel the myths about the mompreneur movement, including the belief that an innovative product idea will lead to easy money.^[6]

Other examples of mompreneur coverage by major news outlets include the nationally syndicated weekly advice column "Ask the Mompreneur" published by *The Charlotte Observer* website, the city's largest daily publication.^[7]

United States Patent and Trademark Office (USPTO)

USPTO OFFICIAL NOTICE

Office Action (Official Letter) has issued
on August 23, 2022 for
U.S. Trademark Application Serial No. 97120291

A USPTO examining attorney has reviewed your trademark application and issued an Office action. You must respond to this Office action in order to avoid your application abandoning. Follow the steps below.

- (1) **[Read the Office action](#)**. This email is NOT the Office action.
- (2) **Respond to the Office action by the deadline** using the Trademark Electronic Application System (TEAS). Your response must be received by the USPTO on or before 11:59 p.m. **Eastern Time** of the last day of the response period. Otherwise, your application will be **[abandoned](#)**. See the Office action itself regarding how to respond.
- (3) **Direct general questions** about using USPTO electronic forms, the USPTO **[website](#)**, the application process, the status of your application, and whether there are outstanding deadlines to the **[Trademark Assistance Center \(TAC\)](#)**.

After reading the Office action, address any question(s) regarding the specific content to the USPTO examining attorney identified in the Office action.

GENERAL GUIDANCE

- **[Check the status](#) of your application periodically** in the **[Trademark Status & Document Retrieval \(TSDR\)](#)** database to avoid missing critical deadlines.
- **[Update your correspondence email address](#)** to ensure you receive important USPTO notices about your application.
- **[Beware of trademark-related scams](#)**. Protect yourself from people and companies that may try to take financial advantage of you. Private companies may call you and pretend to be the USPTO or may send you communications that resemble official USPTO documents to trick you. We will never request your credit card number or social security number over the phone. And all official USPTO correspondence will only be emailed from the domain “@uspto.gov.” Verify the correspondence originated from us by using your Serial Number in our database, **[TSDR](#)**, to confirm that it appears under the “Documents” tab, or contact the **[Trademark Assistance Center](#)**.

- **Hiring a U.S.-licensed attorney.** If you do not have an attorney and are not required to have one under the trademark rules, we encourage you to hire a U.S.-licensed attorney specializing in trademark law to help guide you through the registration process. The USPTO examining attorney is not your attorney and cannot give you legal advice, but rather works for and represents the USPTO in trademark matters.
