**United States Patent and Trademark Office (USPTO)  
Office Action (Official Letter) About Applicant's Trademark Application**

**U.S. Application Serial No.** 97120503

**Mark:** YELLOWSTONE LIFE GROUP

**Correspondence Address:**

SK RUMBO LLC  
318 CEDAR SPRINGS LANE  
RUMBO@IAMCEO.BIZ  
WEATHERFORD TX 76087 UNITED STATES

**Applicant:** SK Rumbo LLC

**Reference/Docket No.** N/A

**Correspondence Email Address:** [rumbo@iamceo.biz](mailto:rumbo@iamceo.biz)

**NONFINAL OFFICE ACTION**

**The USPTO must receive applicant's response to this letter within six months of the issue date below or the application will be [abandoned](#).** Respond using the Trademark Electronic Application System (TEAS). A link to the appropriate TEAS response form appears at the end of this Office

action.

**Issue date:** August 23, 2022

The referenced application has been reviewed by the assigned trademark examining attorney. Applicant must respond timely and completely to the issues below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

## **SEARCH OF USPTO DATABASE OF MARKS**

The trademark examining attorney has searched the USPTO database of registered and pending marks and has found no conflicting marks that would bar registration under Trademark Act Section 2(d). 15 U.S.C. §1052(d); TMEP §704.02.

## **SUMMARY OF ISSUES:**

- Disclaimer Required
- Information About Applicant's Services Required

## **DISCLAIMER REQUIRED**

Applicant must disclaim the wording "LIFE GROUP" because it is merely descriptive of an ingredient, quality, characteristic, function, feature, purpose, or use of applicant's services. *See* 15 U.S.C. §1052(e)(1); *DuoProSS Meditech Corp. v. Inviro Med. Devices, Ltd.*, 695 F.3d 1247, 1251, 103 USPQ2d 1753, 1755 (Fed. Cir. 2012); TMEP §§1213, 1213.03(a). Terms that describe the provider of a service may also be merely descriptive of the service. *See In re Chamber of Com. of the U.S.*, 675 F.3d 1297, 1301, 102 USPQ2d 1217, 1220 (Fed. Cir. 2012) (affirming Board's holding that NATIONAL CHAMBER was merely descriptive of online service providing directory information for local and state chambers of commerce and business and regulatory data analysis services to promote the interest of businessmen and businesswomen); *In re Major League Umpires*, 60 USPQ2d 1059, 1060 (TTAB 2001) (holding MAJOR LEAGUE UMPIRE merely descriptive of clothing, face masks, chest protectors and shin guards provided, designed, and used by major league umpires); TMEP §1209.03(q).

The attached evidence from *Macmillan Dictionary* shows that "LIFE" means "the period of time from someone's birth until their death"; and "GROUP" means "a set of people who meet or do something together because they share the same purpose or ideas." Thus, the wording merely describes applicant's services because applicant is a set of people who work together to provide consumers with insurance related to the period of time from someone's birth until their death. See also the attached evidence from *GR Kleinfelter, Scott Insurance, NWLGI, Prosperity Life, and National Life* showing third-parties using the wording "LIFE" and "GROUP" to describe services similar to that of applicant.

A "disclaimer" is a statement in the application record that an applicant does not claim exclusive rights to an unregistrable component of the mark. *See Schwarzkopf v. John H. Breck, Inc.*, 340 F.2d 978, 979-80, 144 USPQ 433, 433 (C.C.P.A. 1965); TMEP §1213. A disclaimer does not physically remove the

disclaimed matter from the mark or otherwise affect the appearance of the mark. *See Schwarzkopf v. John H. Breck, Inc.*, 340 F.2d at 979, 144 USPQ2d at 433; TMEP §1213.

Applicant may respond to this issue by submitting a disclaimer in the following format:

**No claim is made to the exclusive right to use “LIFE GROUP” apart from the mark as shown.**

For an overview of disclaimers and instructions on how to provide one using the Trademark Electronic Application System (TEAS), see the [Disclaimer webpage](#).

If applicant does not provide the required disclaimer, the USPTO may refuse to register the entire mark. *See In re Stereotaxis Inc.*, 429 F.3d 1039, 1041, 77 USPQ2d 1087, 1089 (Fed. Cir. 2005); TMEP §1213.01(b).

## INFORMATION ABOUT APPLICANT'S SERVICES REQUIRED

To permit proper examination of the application, applicant must provide a written statement explaining whether the services or any aspect of the services is rendered in, or has any other connection with, the geographic location named in the mark, namely, YELLOWSTONE. *See* 37 C.F.R. §2.61(b); TMEP §§814, 1210.03. Applicant has a duty to respond directly and completely to this requirement for information. *See In re Ocean Tech., Inc.*, 2019 USPQ2d 450686, at \*2 (TTAB 2019) (citing *In re AOP LLC*, 107 USPQ2d 1644, 1651 (TTAB 2013)); TMEP §814. Failure to comply with a requirement for information is an independent ground for refusing registration. *In re SICPA Holding SA*, 2021 USPQ2d 613, at \*6 (TTAB 2021) (citing *In re Cheezwhse.com, Inc.*, 85 USPQ2d 1917, 1919 (TTAB 2008); *In re DTI P'ship LLP*, 67 USPQ2d 1699, 1701-02 (TTAB 2003); TMEP §814).

## TRADEMARK COUNSEL ADVISORY

Because of the legal technicalities and strict deadlines of the trademark application process, applicant is encouraged to hire a private attorney who specializes in trademark matters to assist in this process. The assigned trademark examining attorney can provide only limited assistance explaining the content of an Office action and the application process. USPTO staff cannot provide legal advice or statements about an applicant's legal rights. TMEP §§705.02, 709.06. *See* [Hiring a U.S.-licensed trademark attorney](#) for more information.

## RESPONSE GUIDELINES

For this application to proceed, applicant must explicitly address each requirement in this Office action. For a requirement, applicant should set forth the changes or statements. Please see “[Responding to Office Actions](#)” and the informational [video “Response to Office Action”](#) for more information and tips on responding.

Please call or email the assigned trademark examining attorney with questions about this Office action. Although an examining attorney cannot provide legal advice, the examining attorney can provide additional explanation about the requirements in this Office action. *See* TMEP §§705.02, 709.06.

The USPTO does not accept emails as responses to Office actions; however, emails can be used for informal communications and are included in the application record. *See* 37 C.F.R. §§2.62(c), 2.191; TMEP §§304.01-.02, 709.04-.05.

# Nice to meet you!

GRK's mission is to provide high quality services and lead organizations involved in the insurance industry to success, to provide these services with diligence, integrity, and accountability, to encourage an atmosphere of partnership with and mutual respect for all organizations or individuals with whom we do business, to support our employees in ways that empower them to

achieve their highest potential.

## UNDERWRITING FOR OVER 150 YEARS

### WHO WE ARE

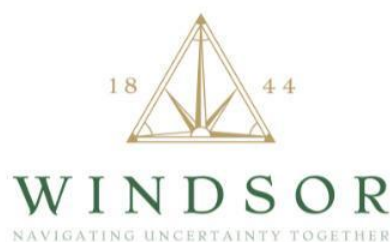

We are a group of professionals in the exciting field of insurance and risk management. Our job is providing management and administrative support to persons and organizations in fostering opportunities and meeting challenges in this area. Therefore, this is a broad and diverse endeavor, as risk and opportunity are much a part of human economic experience. The pursuit of our discipline

requires the collaboration of employees with a wide range of background and experience. This necessity for collaboration provides a uniquely wide range of career opportunity, both professional and semi-professional, both technical and managerial.

G.R. Klinefelter Underwriters, Inc. provides comprehensive management services for several Lancaster County-based Insurance companies. Our largest subsidiary is Windsor-Mount Joy Mutual Insurance Company, which currently holds an A (Excellent) rating by A.M. Best, as well as Cloister Mutual Casualty Insurance Company.

## OUR HISTORY

GRK began as an independent insurance agency in the 1930's. In 1964, the organization developed into a management company that currently serves two mutual insurance companies, and in the past has managed a vast array of insurance related organizations. Finally, GRK has managed and continues to manage special insurance situations for other companies or associations.

One of the companies that we currently manage is Windsor Mount Joy Mutual Insurance Company. WMJ has been in business since 1844, and is a result of numerous mergers, acquisitions, and consolidations over the last 150 years.

[VISIT OUR PAGE](#)

Historic Ephrata Cloister — Founded 1728

*Cloister Mutual Casualty Insurance Company*

Another company we currently manage is Cloister Mutual Casualty Insurance Company, which was formed in 1961. It was created by a mutual benefit association wishing to become an insurance company to further benefit its members. Presently, it is the result of consolidations with other similar associations and insurance companies.

## A LEGACY LOOKING TO THE FUTURE

As a family-owned company, G.R. Klinefelter has strong and lasting roots in the Lancaster County community. The building that houses the company headquarters in downtown Ephrata has been in the Klinefelter/Cox family since the 1800s and once housed the Cox Drug Store.

In the 1950s, George R. Klinefelter started his insurance business as an agent for Windsor Mutual in the basement of his family's drugstore, offering a variety of insurance products including boat insurance, which satisfied his personal passion for boating.

But, today's GRK doesn't just rest on its rich history; instead, we continually strive to do business with a progressive and innovative eye towards the future.

## United States Patent and Trademark Office (USPTO)

### USPTO OFFICIAL NOTICE

Office Action (Official Letter) has issued  
on August 23, 2022 for  
**U.S. Trademark Application Serial No. 97120503**

A USPTO examining attorney has reviewed your trademark application and issued an Office action. You must respond to this Office action in order to avoid your application abandoning. Follow the steps below.

- (1) **[Read the Office action](#)**. This email is NOT the Office action.
- (2) **Respond to the Office action by the deadline** using the Trademark Electronic Application System (TEAS). Your response must be received by the USPTO on or before 11:59 p.m. **Eastern Time** of the last day of the response period. Otherwise, your application will be **[abandoned](#)**. See the Office action itself regarding how to respond.
- (3) **Direct general questions** about using USPTO electronic forms, the USPTO **[website](#)**, the application process, the status of your application, and whether there are outstanding deadlines to the **[Trademark Assistance Center \(TAC\)](#)**.

After reading the Office action, address any question(s) regarding the specific content to the USPTO examining attorney identified in the Office action.

### GENERAL GUIDANCE

- **[Check the status](#) of your application periodically** in the **[Trademark Status & Document Retrieval \(TSDR\)](#)** database to avoid missing critical deadlines.
- **[Update your correspondence email address](#)** to ensure you receive important USPTO notices about your application.
- **[Beware of trademark-related scams](#)**. Protect yourself from people and companies that may try to take financial advantage of you. Private companies may call you and pretend to be the USPTO or may send you communications that resemble official USPTO documents to trick you. We will never request your credit card number or social security number over the phone. And all official USPTO correspondence will only be emailed from the domain “@uspto.gov.” Verify the correspondence originated from us by using your Serial Number in our database, **[TSDR](#)**, to confirm that it appears under the “Documents” tab, or contact the **[Trademark Assistance Center](#)**.

- **Hiring a U.S.-licensed attorney.** If you do not have an attorney and are not required to have one under the trademark rules, we encourage you to hire a U.S.-licensed attorney specializing in trademark law to help guide you through the registration process. The USPTO examining attorney is not your attorney and cannot give you legal advice, but rather works for and represents the USPTO in trademark matters.
