**NONFINAL OFFICE ACTION**

**The USPTO must receive applicant's response to this letter within six months of the issue date below or the application will be [abandoned](#).** Respond using the Trademark Electronic Application System (TEAS). A link to the appropriate TEAS response form appears at the end of this Office action.

**Issue date:** August 26, 2022

**INTRODUCTION**

The referenced application has been reviewed by the assigned trademark examining attorney.

Applicant must respond timely and completely to the issue(s) below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

## SEARCH OF OFFICE'S DATABASE OF MARKS

The trademark examining attorney has searched the Office's database of registered and pending marks and has found no conflicting marks that would bar registration under Trademark Act Section 2(d). TMEP §704.02; see 15 U.S.C. §1052(d).

## REQUIREMENT - IDENTIFICATION OF GOODS

Applicant must clarify the wording "leather portfolios" in the identification of goods in International Class(es) 18 because it is indefinite and too broad. *See* 37 C.F.R. §2.32(a)(6); TMEP §§1402.01, 1402.03. This wording is indefinite because it does not make clear what the goods are. Further, this wording could identify goods in more than one international class. For example, leather document portfolios and leather stationery-type portfolios are in International Class 16 and leather briefcase-type portfolios are in International Class 18.

Applicant should note that any wording in **bold**, in *italics*, underlined and/or in ALL CAPS below offers guidance and/or shows the changes being proposed for the identification of goods and/or services. If there is wording in the applicant's version of the identification of goods and/or services which should be removed, it will be shown with a line through it such as this: ~~striketrough~~. When making its amendments, applicant should enter them in standard font, not in **bold**, in *italics*, underlined or in ALL CAPS.

Applicant may substitute the following wording, if accurate:

Class 16: Leather portfolios, namely, \_\_\_\_ {*indicate particular goods belonging in International Class 16, e.g., leather document portfolios, leather stationery-type portfolios*}

Class 18: Leather portfolios, namely, \_\_\_\_ {*indicate particular goods belonging in International Class 18, e.g., leather briefcase-type portfolios*}; luggage

*See* TMEP §§1402.01, 1402.03.

An applicant may only amend an identification to clarify or limit the goods, but not to add to or broaden the scope of the goods. 37 C.F.R. §2.71(a); *see* TMEP §§1402.06 *et seq.*, 1402.07. Generally, any deleted goods may not later be reinserted. *See* TMEP §1402.07(e).

For assistance with identifying and classifying goods and services in trademark applications, please see the USPTO's online searchable [\*U.S. Acceptable Identification of Goods and Services Manual\*](#). *See* TMEP §1402.04.

## Advisory – Multiple Class Application

The application identifies goods and/or services in more than one international class; therefore, applicant must satisfy all the requirements below for each international class based on Trademark Act Section 1(b):

(1) **List the goods and/or services by their international class number** in consecutive numerical order, starting with the lowest numbered class.

(2) **Submit a filing fee for each international class** not covered by the fee(s) already paid (view the [USPTO's current fee schedule](#)). The application identifies goods and/or services that are classified in at least 2 classes; however, applicant submitted a fee(s) sufficient for only 1 class(es). Applicant must either submit the filing fees for the classes not covered by the submitted fees or restrict the application to the number of classes covered by the fees already paid.

*See* 37 C.F.R. §2.86(a); TMEP §§1403.01, 1403.02(c).

For an overview of the requirements for a Section 1(b) multiple-class application and how to satisfy the requirements online using the Trademark Electronic Application System (TEAS) form, see the [Multiple-class Application webpage](#).

## CONCLUSION

**Response guidelines.** For this application to proceed, applicant must explicitly address each refusal and/or requirement in this Office action. For a refusal, applicant may provide written arguments and evidence against the refusal, and may have other response options if specified above. For a requirement, applicant should set forth the changes or statements. Please see “[Responding to Office Actions](#)” and the informational [video “Response to Office Action”](#) for more information and tips on responding.

If applicant has questions regarding this Office action, please telephone or e-mail the assigned trademark examining attorney. All relevant e-mail communications will be placed in the official application record; however, an e-mail communication will not be accepted as a response to this Office action and will not extend the deadline for filing a proper response. *See* 37 C.F.R. §§2.62(c), 2.191; TMEP §§304.01-.02, 709.04-.05. Further, although the trademark examining attorney may provide additional explanation pertaining to the refusal(s) and/or requirement(s) in this Office action, the trademark examining attorney may not provide legal advice or statements about applicant’s rights. *See* TMEP §§705.02, 709.06.

And all official USPTO correspondence will only be emailed from the domain “@uspto.gov.” Verify the correspondence originated from us by using your Serial Number in our database, **[TSDR](#)**, to confirm that it appears under the “Documents” tab, or contact the **[Trademark Assistance Center](#)**.

- **Hiring a U.S.-licensed attorney.** If you do not have an attorney and are not required to have one under the trademark rules, we encourage you to hire a U.S.-licensed attorney specializing in trademark law to help guide you through the registration process. The USPTO examining attorney is not your attorney and cannot give you legal advice, but rather works for and represents the USPTO in trademark matters.
