**NONFINAL OFFICE ACTION**

**The USPTO must receive applicant's response to this letter within six months of the issue date below or the application will be [abandoned](#).** Respond using the Trademark Electronic Application System (TEAS). A link to the appropriate TEAS response form appears at the end of this Office action.

**Issue date:** August 23, 2022

The referenced application has been reviewed by the assigned trademark examining attorney. Applicant must respond timely and completely to the issue(s) below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

**SUMMARY OF ISSUES:**

- Identification and Classification of Goods

## **SEARCH OF OFFICE'S DATABASE**

The trademark examining attorney has searched the USPTO's database of registered and pending marks and has found no conflicting marks that would bar registration under Trademark Act Section 2(d). TMEP §704.02; *see* 15 U.S.C. §1052.(d).

## **IDENTIFICATION AND CLASSIFICATION OF GOODS**

The identification of services is indefinite and must be clarified because it is too broad and could include services in other international classes. See TMEP §1402.01 §1402.03.

Applicant should note that the wording in **bold and/or bold ALL CAPS** below shows the changes being proposed for the identification of goods and services. Items with a ~~strike-through~~ are to be deleted (e.g., ~~toilet~~). When making its amendments, applicant should enter them in standard font, NOT bold ALL CAPS or with a strike through.

Applicant may adopt the following identification and classification of services, if accurate:

### **International Class 010: therapeutic heat ~~appliances~~ THERAPY PACKS**

International Class 011: Electric space heaters, **ELECTRIC** infrared **SPACE** heat**ERS appliances**, ~~therapeutic heat appliances~~ [move to International Class 010]

Applicant's goods and/or services may be clarified or limited, but may not be expanded beyond those originally itemized in the application or as acceptably amended. *See* 37 C.F.R. §2.71(a); TMEP §1402.06. Applicant may clarify or limit the identification by inserting qualifying language or deleting items to result in a more specific identification; however, applicant may not substitute different goods and/or services or add goods and/or services not found or encompassed by those in the original application or as acceptably amended. *See* TMEP §1402.06(a)-(b). The scope of the goods and/or services sets the outer limit for any changes to the identification and is generally determined by the ordinary meaning of the wording in the identification. TMEP §§1402.06(b), 1402.07(a)-(b). Any acceptable changes to the goods and/or services will further limit scope, and once goods and/or services are deleted, they are not permitted to be reinserted. TMEP §1402.07(e).

For assistance with identifying and classifying goods and services in trademark applications, please see the USPTO's online searchable [\*U.S. Acceptable Identification of Goods and Services Manual\*](#). *See* TMEP §1402.04.

## **MULTIPLE CLASS APPLICATION REQUIREMENTS**

The application identifies goods and/or services in more than one international class; therefore, applicant must satisfy all the requirements below for each international class based on Trademark Act Section 1(b):

- (1) **List the goods and/or services by their international class number** in consecutive numerical order, starting with the lowest numbered class.
- (2) **Submit a filing fee for each international class** not covered by the fee(s) already paid (view the [USPTO's current fee schedule](#)). The application identifies goods and/or services that are classified in at least 2 classes; however, applicant submitted a fee(s) sufficient for only 1 class. Applicant must either submit the filing fees for the classes not covered by the submitted fees or restrict the application to the number of classes covered by the fees already paid.

The fee for adding classes to a TEAS Standard application is \$350 per class. *See* 37 C.F.R. §2.6(a)(1)(iii). For more information about adding classes to an application, see the [Multiple-class Application webpage](#).

*See* 37 C.F.R. §2.86(a); TMEP §§1403.01, 1403.02(c).

For an overview of the requirements for a Section 1(b) multiple-class application and how to satisfy the requirements online using the Trademark Electronic Application System (TEAS) form, see the [Multiple-class Application webpage](#).

Please call or email the assigned trademark examining attorney with questions about this Office action. Although an examining attorney cannot provide legal advice, the examining attorney can provide additional explanation about the refusal(s) and/or requirement(s) in this Office action. *See* TMEP §§705.02, 709.06.

The USPTO does not accept emails as responses to Office actions; however, emails can be used for informal communications and are included in the application record. *See* 37 C.F.R. §§2.62(c), 2.191; TMEP §§304.01-.02, 709.04-.05.

- **[Update your correspondence email address](#)** to ensure you receive important USPTO notices about your application.
- **[Beware of trademark-related scams](#)**. Protect yourself from people and companies that may try to take financial advantage of you. And all official USPTO correspondence will only be emailed from the domain “@uspto.gov.” Verify the correspondence originated from us by using your Serial Number in our database, **[TSDR](#)**, to confirm that it appears under the “Documents” tab, or contact the **[Trademark Assistance Center](#)**.

- **Hiring a U.S.-licensed attorney.** If you do not have an attorney and are not required to have one under the trademark rules, we encourage you to hire a U.S.-licensed attorney specializing in trademark law to help guide you through the registration process. The USPTO examining attorney is not your attorney and cannot give you legal advice, but rather works for and represents the USPTO in trademark matters.
