United States Patent and Trademark Office (USPTO) Office Action (Official Letter) About Applicant's Trademark Application

U.S. Application Serial No. 97120897

Mark: LASH AFTERCARE

Correspondence Address:

MARIO SIMONYAN
ESQGO P.C.
303 NORTH GLENOAKS BOULEVARD, SUITE 200
BURBANK CA 91502 UNITED STATES

Applicant: The Boutique Marketing LLC

Reference/Docket No. N/A

Correspondence Email Address: mario@esqgo.com

NONFINAL OFFICE ACTION

The USPTO must receive applicant's response to this letter within six months of the issue date below or the application will be abandoned. Respond using the Trademark Electronic Application System (TEAS). A link to the appropriate TEAS response form appears at the end of this Office action.

Issue date: August 24, 2022

The referenced application has been reviewed by the assigned trademark examining attorney. Applicant must respond timely and completely to the issue(s) below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

SEARCH OF USPTO DATABASE OF MARKS

The trademark examining attorney has searched the USPTO database of registered and pending marks and has found no conflicting marks that would bar registration under Trademark Act Section 2(d). 15 U.S.C. §1052(d); TMEP §704.02.

SUMMARY OF ISSUES:

- Section 2(e)(1) Refusal - Merely Descriptive
- Identification of Goods - Amendment Required (Partial Requirement)
- Domicile Street Address Required

SECTION 2(e)(1) REFUSAL - MERELY DESCRIPTIVE

Registration is refused because the applied-for mark merely describes a feature, characteristic, purpose or function of applicant's goods. Trademark Act Section 2(e)(1), 15 U.S.C. §1052(e)(1); *see* TMEP §§1209.01(b), 1209.03 *et seq.*

In the instant case, applicant seeks registration of the mark **LASH AFTERCARE** for "*Envelopes; blank or partially printed postcards; note cards; printed paper matter, namely, blotters, cards, brochures, and booklets, all featuring information about fragrances, cosmetics, toiletries, and personal care products; printed matter; signboards of paper or cardboard*" in International Class 16.

The determination of whether a mark is merely descriptive is made in relation to an applicant's goods and/or services, not in the abstract. *DuoProSS Meditech Corp. v. Inviro Med. Devices, Ltd.*, 695 F.3d 1247, 1254, 103 USPQ2d 1753, 1757 (Fed. Cir. 2012); *In re The Chamber of Commerce of the U.S.*, 675 F.3d 1297, 1300, 102 USPQ2d 1217, 1219 (Fed. Cir. 2012); TMEP §1209.01(b). "Whether consumers could guess what the product [or service] is from consideration of the mark alone is not the test." *In re Am. Greetings Corp.*, 226 USPQ 365, 366 (TTAB 1985).

The attached Internet/dictionary evidence, consisting of website screenshots from <https://www.merriam-webster.com> (defines **LASH** as "eyelash"), <https://www.collinsdictionary.com> (defines **AFTERCARE** as "any system of maintenance or upkeep of an appliance or product", for example, "contact lens

aftercare), <https://www.amazon.com>, <https://www.etsy.com>, <https://www.zazzle.com>, and the specimen of record (page 1), shows that this wording is commonly used in connection with similar goods to refer to printed lash extension after care instruction cards. Thus, this wording merely describes a feature of applicant's goods because applicant provides *blank or partially printed postcards, note cards, printed paper matter, namely, blotters, cards, brochures, and booklets, all featuring information about fragrances, cosmetics, toiletries, and personal care products, printed matter*, which are broad enough to encompass lash extension after care instruction cards.

Consumers who encounter the wording **LASH AFTERCARE** on the identified goods, would immediately understand that applicant's *blank or partially printed postcards, note cards, printed paper matter, namely, blotters, cards, brochures, and booklets, all featuring information about fragrances, cosmetics, toiletries, and personal care products, printed matter* feature lash extension after care instruction cards. Therefore, this wording is merely descriptive of a feature of applicant's goods.

Generally, if the individual components of a mark retain their descriptive meaning in relation to the services, the combination results in a composite mark that is itself descriptive and not registrable. *In re Fat Boys Water Sports LLC*, 118 USPQ2d 1511, 1516 (TTAB 2016) (citing *In re Tower Tech, Inc.*, 64 USPQ2d 1314, 1317-18 (TTAB 2002)); TMEP §1209.03(d); see, e.g., *In re Cannon Safe, Inc.*, 116 USPQ2d 1348, 1351 (TTAB 2015) (holding SMART SERIES merely descriptive of metal gun safes); *In re King Koil Licensing Co.*, 79 USPQ2d 1048, 1052 (TTAB 2006) (holding THE BREATHABLE MATTRESS merely descriptive of beds, mattresses, box springs, and pillows).

Only where the combination of descriptive terms creates a unitary mark with a unique, incongruous, or otherwise nondescriptive meaning in relation to the services is the combined mark registrable. See *In re Colonial Stores, Inc.*, 394 F.2d 549, 551, 157 USPQ 382, 384 (C.C.P.A. 1968); *In re Positec Grp. Ltd.*, 108 USPQ2d 1161, 1162-63 (TTAB 2013).

In this case, both the individual components and the composite result are descriptive of applicant's goods and do not create a unique, incongruous, or nondescriptive meaning in relation to the services. Specifically, these individual terms **LASH** and **AFTERCARE** merely further refer to a feature of applicant's goods because applicant provides *blank or partially printed postcards, note cards, printed paper matter, namely, blotters, cards, brochures, and booklets, all featuring information about fragrances, cosmetics, toiletries, and personal care products, printed matter*, which are broad enough to encompass lash extension after care instruction cards.

SUMMARY

While any doubt regarding the mark's descriptiveness should be resolved on applicant's behalf, in the present case, the evidence of record leaves no doubt that the mark is merely descriptive. E.g., *In re Merrill Lynch, Pierce, Fenner & Smith, Inc.*, 828 F.2d 1567, 1571 4 USPQ2d 1141, 1144 (Fed. Cir. 1987); *In re Grand Forest Holdings, Inc.*, 78 USPQ2d 1152, 1156 (TTAB 2006).

As explained above, each term is merely descriptive. In combination, the applied-for mark retains its merely descriptive meaning because it advises consumers that the goods are *blank or partially printed postcards, note cards, printed paper matter, namely, blotters, cards, brochures, and booklets, all featuring information about fragrances, cosmetics, toiletries, and personal care products, printed matter*, including lash extension after care instruction cards. For these reasons, registration is refused pursuant to Section 2(e)(1) of the Trademark Act.

Although applicant's mark has been refused registration, applicant may respond to the refusal(s) by submitting evidence and arguments in support of registration. However, if applicant responds to the refusal(s), applicant must also respond to the requirement(s) set forth below.

RESPONSE OPTIONS: SUPPLEMENTAL REGISTER

The applied-for mark has been refused registration on the Principal Register. Applicant may respond to the refusal by submitting evidence and arguments in support of registration and/or by amending the application to seek registration on the Supplemental Register. *See* 15 U.S.C. §1091; 37 C.F.R. §§2.47, 2.75(a); TMEP §§801.02(b), 816. Amending to the Supplemental Register does not preclude applicant from submitting evidence and arguments against the refusal(s). TMEP §816.04.

If applicant amends the application to seek registration on the Supplemental Register, the application effective filing date will be the date applicant meets the minimum filing requirements under 37 C.F.R. §2.76(c) for an amendment to allege use. TMEP §§816.02, 1102.03; *see* 37 C.F.R. §2.75(b).

IDENTIFICATION OF GOODS - AMENDMENT REQUIRED (PARTIAL REQUIREMENT)

THIS PARTIAL REQUIREMENT APPLIES ONLY TO THE GOODS SPECIFIED THEREIN

The wording "*note cards*" in the identification of goods is indefinite and must be clarified because it does not sufficiently identify the specific goods encompassed. *See* 37 C.F.R. §2.32(a)(6); TMEP §1402.01. For example, the wording "*note cards*" may encompass

Applicant may substitute the following wording, if accurate:

Class 16: Envelopes; blank or partially printed postcards; {**identify type of goods, e.g., blank, printed, printed social**} note cards; printed paper matter, namely, blotters, {**identify type of goods, e.g., blank note, note, instructional, picture, informational**} cards, brochures, and booklets, all featuring information about fragrances, cosmetics, toiletries, and personal care products; printed matter, **namely, {indetify specific goods in Class 16, e.g., decals for maintenance service and appointment reminders, brochures, booklets, and teaching materials in the field of {indicate subject matter or field of printed publications and teaching materials}, blank or partially printed postcards};** signboards of paper or cardboard

Applicant's goods and/or services may be clarified or limited, but may not be expanded beyond those originally itemized in the application or as acceptably amended. *See* 37 C.F.R. §2.71(a); TMEP §1402.06. Applicant may clarify or limit the identification by inserting qualifying language or deleting items to result in a more specific identification; however, applicant may not substitute different goods and/or services or add goods and/or services not found or encompassed by those in the original application or as acceptably amended. *See* TMEP §1402.06(a)-(b). The scope of the goods and/or services sets the outer limit for any changes to the identification and is generally determined by the ordinary meaning of the wording in the identification. TMEP §§1402.06(b), 1402.07(a)-(b). Any acceptable changes to the goods and/or services will further limit scope, and once goods and/or services are deleted, they are not permitted to be reinserted. TMEP §1402.07(e).

For assistance with identifying and classifying goods and services in trademark applications, please see the USPTO's online searchable *U.S. Acceptable Identification of Goods and Services Manual*. *See* TMEP §1402.04.

DOMICILE STREET ADDRESS REQUIRED

Applicant must clarify its domicile street address because the domicile address of record is for a third-party commercial mail receiving agency and does not appear to be applicant's permanent legal place of residence or principal place of business. *See 37 C.F.R. §§2.11(b), 2.189; TMEP §601.01(b)(1).* A domicile address must identify either (1) the permanent legal place of residence, which is the place an individual applicant resides and intends to be the applicant's principal home; or (2) the principal place of business, which is the juristic applicant's headquarters where its senior executives or officers ordinarily direct and control the entity's activities. *See 37 C.F.R. §2.2(o)-(p); TMEP §803.05(a).*

In this case, the application record lists applicant as a juristic entity and specifies applicant's domicile address as follows: 2119 Riverwalk Drive, #318, Moore, OK 73160. This address has been identified as a commercial mail receiving agency by the U.S. Postal Service Coding Accuracy Support System (CASS) and thus does not appear to be applicant's headquarters where its senior executives or officers ordinarily direct and control the entity's activities. *See 37 C.F.R. §2.2(o)-(p); TMEP §601.01(b)(1).* A commercial mail receiving agency is a private business that accepts mail from the U.S. Postal Service on behalf of third parties. See attached evidence.

Response options. Applicant must provide its domicile street address. *See 37 C.F.R. §2.32(a)(2), 2.189; TMEP §803.05.* Alternatively, applicant may provide (1) documentation showing that the listed U.S. domicile address is, in fact, applicant's domicile, or (2) a detailed explanation supporting that applicant has no fixed physical address. *See 37 C.F.R. §2.11(b); TMEP §§601.01(b)-(b)(1), 803.05(a).*

To provide applicant's domicile street address. After opening the correct Trademark Electronic Application System (TEAS) response form and entering the serial number, (1) answer "yes" to question 5 and click "Continue;" (2) on the "Owner Information" page, in the "Domicile Address" field, uncheck the box stating the domicile and mailing address are not the same; and (3) below the checkbox provide applicant's domicile street address. Applicant's domicile street address will be hidden from public view if it is entered into the "Domicile Address" field. However, any street address listed in the "Mailing Address" field will be publicly viewable.

To provide documentation to support applicant's U.S. domicile address. Applicant should provide the most recent documentation showing that the address is the applicant's business headquarters, for example one of the following: (1) the most recent final annual or quarterly report or other similar report; or (2) a current, valid signed rental, lease, or mortgage agreement for office space. TMEP §601.01(b)-(b)(1); *see 37 C.F.R. §2.11(b).* Submitted documentation must show the name, listed domicile address, and the date of the document but should redact other personal and financial information.

To provide this documentation, open the correct TEAS response form and enter the serial number, answer "yes" to question 3, and on the "Additional Statement(s)" page, below the "Miscellaneous Statement" field, click the button below the text box to attach documentation to support the U.S. street address.

To provide a detailed explanation that applicant has no fixed physical address. If applicant has no physical headquarters where its senior executives or officers ordinarily direct and control the business (e.g., because the business is conducted virtually), applicant should state for the record that applicant has no fixed physical address and provide a detailed explanation of the circumstances.

To provide this explanation, open the correct TEAS response form and enter the serial number, answer “yes” to question 3, and on the “Additional Statement(s)” page, in the “Miscellaneous Statement” field, enter the referenced explanation in the text box.

RESPONSE GUIDELINES

Please call or email the assigned trademark examining attorney with questions about this Office action. Although an examining attorney cannot provide legal advice, the examining attorney can provide additional explanation about the refusal(s) and/or requirement(s) in this Office action. *See* TMEP §§705.02, 709.06.

The USPTO does not accept emails as responses to Office actions; however, emails can be used for informal communications and are included in the application record. *See* 37 C.F.R. §§2.62(c), 2.191; TMEP §§304.01-.02, 709.04-.05.

 Answer: no that is not included in the verbiage. I normally tell my clients 2-3 weeks depending on their discretion when they need a fill and the glue i use.

United States Patent and Trademark Office (USPTO)

USPTO OFFICIAL NOTICE

Office Action (Official Letter) has issued

on August 24, 2022 for

U.S. Trademark Application Serial No. 97120897

A USPTO examining attorney has reviewed your trademark application and issued an Office action. You must respond to this Office action in order to avoid your application abandoning. Follow the steps below.

(1) [**Read the Office action.**](#) This email is NOT the Office action.

(2) **Respond to the Office action by the deadline** using the Trademark Electronic Application System (TEAS). Your response must be received by the USPTO on or before 11:59 p.m. **Eastern Time** of the last day of the response period. Otherwise, your application will be [abandoned](#). See the Office action itself regarding how to respond.

(3) **Direct general questions** about using USPTO electronic forms, the USPTO [website](#), the application process, the status of your application, and whether there are outstanding deadlines to the [Trademark Assistance Center \(TAC\)](#).

After reading the Office action, address any question(s) regarding the specific content to the USPTO examining attorney identified in the Office action.

GENERAL GUIDANCE

- [**Check the status of your application periodically**](#) in the [Trademark Status & Document Retrieval \(TSDR\)](#) database to avoid missing critical deadlines.
- [**Update your correspondence email address**](#) to ensure you receive important USPTO notices about your application.
- [**Beware of trademark-related scams**](#). Protect yourself from people and companies that may try to take financial advantage of you. Private companies may call you and pretend to be the USPTO or may send you communications that resemble official USPTO documents to trick you. We will never request your credit card number or social security number over the phone. And all official USPTO correspondence will only be emailed from the domain “@uspto.gov.” Verify the correspondence originated from us by using your Serial Number in our database, [TSDR](#), to confirm that it appears under the “Documents” tab, or contact the [Trademark Assistance Center](#).

- **Hiring a U.S.-licensed attorney.** If you do not have an attorney and are not required to have one under the trademark rules, we encourage you to hire a U.S.-licensed attorney specializing in trademark law to help guide you through the registration process. The USPTO examining attorney is not your attorney and cannot give you legal advice, but rather works for and represents the USPTO in trademark matters.
