**United States Patent and Trademark Office (USPTO)  
Office Action (Official Letter) About Applicant's Trademark Application**

**U.S. Application Serial No.** 97120658

**Mark:** LOOSEN UP

**Correspondence Address:**  
LEBRON SHIBI DESIGN STUDIO  
5166 NW 87TH TERRACE  
LAUDERHILL FL 33351 UNITED STATES

**Applicant:** Lebron Shibi Design Studio

**Reference/Docket No.** N/A

**Correspondence Email Address:** info.loosenup@gmail.com

**NONFINAL OFFICE ACTION**

**The USPTO must receive applicant's response to this letter within six months of the issue date below or the application will be abandoned.** Respond using the Trademark Electronic Application

System (TEAS). A link to the appropriate TEAS response form appears at the end of this Office action.

**Issue date:** August 23, 2022

## **INTRODUCTION**

The referenced application has been reviewed by the assigned trademark examining attorney. Applicant must respond timely and completely to the issue below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

## **SECTION 2(d) REFUSAL – LIKELIHOOD OF CONFUSION**

Registration of the applied-for mark is refused because of a likelihood of confusion with the mark in U.S. Registration No. 5652484 (LOOSEN UP AND LIVE). Trademark Act Section 2(d), 15 U.S.C. §1052(d); *see* TMEP §§1207.01 *et seq.* See the attached registration.

The Applicant's mark is **LOOSEN UP** for "Clothing extension used to extend the normal size range of clothing items to accommodate pregnancy size changes; Clothing for athletic use, namely, padded pants; Clothing for athletic use, namely, padded shirts; Clothing for athletic use, namely, padded shorts; Clothing for wear in wrestling games; Clothing wraps; Clothing, namely, arm warmers; Clothing, namely, base layers; Clothing, namely, crops; Clothing, namely, wrap-arounds; Bottoms as clothing; Bottoms as clothing for women; Combinations; Hoodies; Jackets; Jackets for women; Jerseys; Knitwear, namely, shirts; Outerwear, namely, jackets; Pants for women; Shifts as clothing; Short sets; Shorts for women; Tops as clothing; Travel clothing contained in a package comprising reversible jackets, pants, skirts, tops and a belt or scarf; Trousers for women; Women's clothing, namely, shirts, dresses, skirts, blouses; Woven shirts for women; Wristbands as clothing".

The Registrant's mark is **LOOSEN UP AND LIVE** for "Shirts".

Trademark Act Section 2(d) bars registration of an applied-for mark that so resembles a registered mark that it is likely a potential consumer would be confused, mistaken, or deceived as to the source of the goods of the applicant and registrant. *See* 15 U.S.C. §1052(d). A determination of likelihood of confusion under Section 2(d) is made on a case-by-case basis and the factors set forth in *In re E. I. du Pont de Nemours & Co.*, 476 F.2d 1357, 1361, 177 USPQ 563, 567 (C.C.P.A. 1973) aid in this determination. *Citigroup Inc. v. Capital City Bank Grp., Inc.*, 637 F.3d 1344, 1349, 98 USPQ2d 1253, 1256 (Fed. Cir. 2011) (citing *On-Line Careline, Inc. v. Am. Online, Inc.*, 229 F.3d 1080, 1085, 56 USPQ2d 1471, 1474 (Fed. Cir. 2000)). Not all the *du Pont* factors, however, are necessarily relevant or of equal weight, and any one of the factors may control in a given case, depending upon the evidence of record. *Citigroup Inc. v. Capital City Bank Grp., Inc.*, 637 F.3d at 1355, 98 USPQ2d at 1260; *In re Majestic Distilling Co.*, 315 F.3d 1311, 1315, 65 USPQ2d 1201, 1204 (Fed. Cir. 2003); *see In re E. I. du Pont de Nemours & Co.*, 476 F.2d at 1361-62, 177 USPQ at 567.

In this case, the following factors are the most relevant: similarity of the marks, similarity and nature of the goods, and similarity of the trade channels of the goods. *See In re Viterra Inc.*, 671 F.3d 1358, 1361-62, 101 USPQ2d 1905, 1908 (Fed. Cir. 2012); *In re Dakin's Miniatures Inc.*, 59 USPQ2d 1593, 1595-96 (TTAB 1999); TMEP §§1207.01 *et seq.*

## COMPARISON OF THE MARKS

Marks are compared in their entireties for similarities in appearance, sound, connotation, and commercial impression. *Stone Lion Capital Partners, LP v. Lion Capital LLP*, 746 F.3d 1317, 1321, 110 USPQ2d 1157, 1160 (Fed. Cir. 2014) (quoting *Palm Bay Imps., Inc. v. Veuve Clicquot Ponsardin Maison Fondee En 1772*, 396 F.3d 1369, 1371, 73 USPQ2d 1689, 1691 (Fed. Cir. 2005)); TMEP §1207.01(b)-(b)(v). “Similarity in any one of these elements may be sufficient to find the marks confusingly similar.” *In re Inn at St. John’s, LLC*, 126 USPQ2d 1742, 1746 (TTAB 2018) (citing *In re Davia*, 110 USPQ2d 1810, 1812 (TTAB 2014)), *aff’d per curiam*, 777 F. App’x 516, 2019 BL 343921 (Fed. Cir. 2019); TMEP §1207.01(b).

Applicant's mark is **LOOSEN UP**.

Registrant's mark is **LOOSEN UP AND LIVE**.

In this case, both marks feature the common wording "LOOSEN UP". Marks may be confusingly similar in appearance where similar terms or phrases or similar parts of terms or phrases appear in the compared marks and create a similar overall commercial impression. See *Crocker Nat'l Bank v. Canadian Imperial Bank of Commerce*, 228 USPQ 689, 690-91 (TTAB 1986), *aff’d sub nom. Canadian Imperial Bank of Commerce v. Wells Fargo Bank, Nat'l Ass’n*, 811 F.2d 1490, 1495, 1 USPQ2d 1813, 1817 (Fed. Cir. 1987) (holding COMMCAH and COMMUNICASH confusingly similar); *In re Corning Glass Works*, 229 USPQ 65, 66 (TTAB 1985) (holding CONFIRM and CONFIRMCCELLS confusingly similar); *In re Pellerin Milnor Corp.*, 221 USPQ 558, 560 (TTAB 1983) (holding MILTRON and MILLTRONICS confusingly similar); TMEP §1207.01(b)(ii)-(iii).

The entirety of the applicant's mark is encompassed by the registered mark. Incorporating the entirety of one mark within another does not obviate the similarity between the compared marks, as in the present case, nor does it overcome a likelihood of confusion under Section 2(d). See *Wella Corp. v. Cal. Concept Corp.*, 558 F.2d 1019, 1022, 194 USPQ 419, 422 (C.C.P.A. 1977) (holding CALIFORNIA CONCEPT and surfer design and CONCEPT confusingly similar); *Coca-Cola Bottling Co. v. Jos. E. Seagram & Sons, Inc.*, 526 F.2d 556, 557, 188 USPQ 105, 106 (C.C.P.A. 1975) (holding BENGAL LANCER and design and BENGAL confusingly similar); *Double Coin Holdings, Ltd. v. Tru Dev.*, 2019 USPQ2d 377409, at \*6-7 (TTAB 2019) (holding ROAD WARRIOR and WARRIOR (stylized) confusingly similar); *In re Mr. Recipe, LLC*, 118 USPQ2d 1084, 1090 (TTAB 2016) (holding JAWS DEVOUR YOUR HUNGER and JAWS confusingly similar); TMEP §1207.01(b)(iii). In the present case, the marks are identical in part.

Although applicant's mark does not contain the entirety of the registered mark, applicant's mark is likely to appear to prospective purchasers as a shortened form of registrant's mark. See *In re Mighty Leaf Tea*, 601 F.3d 1342, 1348, 94 USPQ2d 1257, 1260 (Fed. Cir. 2010) (quoting *United States Shoe Corp.*, 229 USPQ 707, 709 (TTAB 1985)). Thus, merely omitting some of the wording from a registered mark may not overcome a likelihood of confusion. See *In re Mighty Leaf Tea*, 601 F.3d 1342, 94 USPQ2d 1257; *In re Optica Int'l*, 196 USPQ 775, 778 (TTAB 1977); TMEP §1207.01(b)(ii)-(iii). In this case, applicant's mark does not create a distinct commercial impression from the registered mark because it features the common wording "LOOSEN UP", but does not add any wording that would distinguish it from the registered mark.

Furthermore, where the goods of an applicant and registrant are legally identical, the degree of

similarity between the marks required to support a finding that confusion is likely declines. *See Cai v. Diamond Hong, Inc.*, 901 F.3d 1367, 1373, 127 USPQ2d 1797, 1801 (Fed. Cir. 2018) (quoting *In re Viterra Inc.*, 671 F.3d 1358, 1363, 101 USPQ2d 1905, 1908 (Fed. Cir. 2012)); TMEP §1207.01(b).

## COMPARISON OF THE GOODS

The goods are compared to determine whether they are similar, commercially related, or travel in the same trade channels. *See Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1369-71, 101 USPQ2d 1713, 1722-23 (Fed. Cir. 2012); *Herbko Int'l, Inc. v. Kappa Books, Inc.*, 308 F.3d 1156, 1165, 64 USPQ2d 1375, 1381 (Fed. Cir. 2002); TMEP §§1207.01, 1207.01(a)(vi). The compared goods need not be identical or even competitive to find a likelihood of confusion. *See On-line Careline Inc. v. Am. Online Inc.*, 229 F.3d 1080, 1086, 56 USPQ2d 1471, 1475 (Fed. Cir. 2000); *Recot, Inc. v. Becton*, 214 F.3d 1322, 1329, 54 USPQ2d 1894, 1898 (Fed. Cir. 2000); TMEP §1207.01(a)(i). They need only be “related in some manner and/or if the circumstances surrounding their marketing are such that they could give rise to the mistaken belief that [the goods] emanate from the same source.” *Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1369, 101 USPQ2d 1713, 1722 (Fed. Cir. 2012) (quoting *7-Eleven Inc. v. Wechsler*, 83 USPQ2d 1715, 1724 (TTAB 2007)); TMEP §1207.01(a)(i).

Determining likelihood of confusion is based on the description of the goods and/or services stated in the application and registration at issue, not on extrinsic evidence of actual use. *See In re Detroit Athletic Co.*, 903 F.3d 1297, 1307, 128 USPQ2d 1047, 1052 (Fed. Cir. 2018) (citing *In re i.am.symbolic, llc*, 866 F.3d 1315, 1325, 123 USPQ2d 1744, 1749 (Fed. Cir. 2017)).

In this case, the registration uses broad wording to describe its shirts, which presumably encompasses all goods of the type described, including applicant’s narrower shirt goods, e.g., clothing for athletic use, namely, padded shirts; clothing, namely, crops; knitwear, namely, shirts; women’s clothing, namely, shirts; woven shirts for women. Similarly, the application uses broad wording to describe its tops as clothing, which encompasses the registrant’s narrower shirts. *See, e.g., In re Solid State Design Inc.*, 125 USPQ2d 1409, 1412-15 (TTAB 2018); *Sw. Mgmt., Inc. v. Ocinomled, Ltd.*, 115 USPQ2d 1007, 1025 (TTAB 2015). Thus, applicant’s and registrant’s goods are legally identical. *See, e.g., In re i.am.symbolic, llc*, 127 USPQ2d 1627, 1629 (TTAB 2018) (citing *Tuxedo Monopoly, Inc. v. Gen. Mills Fun Grp., Inc.*, 648 F.2d 1335, 1336, 209 USPQ 986, 988 (C.C.P.A. 1981); *Inter IKEA Sys. B.V. v. Akea, LLC*, 110 USPQ2d 1734, 1745 (TTAB 2014); *Baseball Am. Inc. v. Powerplay Sports Ltd.*, 71 USPQ2d 1844, 1847 n.9 (TTAB 2004)).

Additionally, the goods of the parties have no restrictions as to nature, type, channels of trade, or classes of purchasers and are “presumed to travel in the same channels of trade to the same class of purchasers.” *In re Viterra Inc.*, 671 F.3d 1358, 1362, 101 USPQ2d 1905, 1908 (Fed. Cir. 2012) (quoting *Hewlett-Packard Co. v. Packard Press, Inc.*, 281 F.3d 1261, 1268, 62 USPQ2d 1001, 1005 (Fed. Cir. 2002)). Thus, applicant’s and registrant’s goods and/or services are related.

The remaining goods are a variety of related clothing goods. Here, neither the application nor the registration contains any limitations regarding trade channels for the goods and therefore it is assumed that registrant’s and applicant’s goods are sold everywhere that is normal for such items, i.e., clothing and department stores. Thus, it can also be assumed that the same classes of purchasers shop for these items and that consumers are accustomed to seeing them sold under the same or similar marks. *See Kangol Ltd. v. KangaROOS U.S.A., Inc.*, 974 F.2d 161, 23 USPQ2d 1945 (Fed. Cir. 1992); *In re Smith & Mehaffey*, 31 USPQ2d 1531 (TTAB 1994); TMEP §1207.01(a)(iii).

Decisions regarding likelihood of confusion in the clothing field have found many different types of apparel to be related. *Cambridge Rubber Co. v. Cluett, Peabody & Co.*, 286 F.2d 623, 624, 128 USPQ 549, 550 (C.C.P.A. 1961) (women's boots related to men's and boys' underwear); *Gen. Shoe Corp. v. Hollywood-Maxwell Co.*, 277 F.2d 169, 169-70, 125 USPQ2d 443, 443-4 (C.C.P.A. 1960) (shoes and hosiery related to brassieres); *In re Embiid*, 2021 USPQ2d 577, at \*29-30 (TTAB 2021) (shoes related to shirts and sweat shirts); *Jockey Int'l, Inc. v. Mallory & Church Corp.*, 25 USPQ2d 1233, 1236 (TTAB 1992) (underwear related to neckties); *In re Melville Corp.*, 18 USPQ2d 1386, 1388 (TTAB 1991) (women's pants, blouses, shorts and jackets related to women's shoes); *In re Pix of Am., Inc.*, 225 USPQ 691, 691-92 (TTAB 1985) (women's shoes related to outer shirts); *In re Mercedes Slacks, Ltd.*, 213 USPQ 397, 398-99 (TTAB 1982) (hosiery related to trousers); *In re Cook United, Inc.*, 185 USPQ 444, 445 (TTAB 1975) (men's suits, coats, and trousers related to ladies' pantyhose and hosiery); *Esquire Sportswear Mfg. Co. v. Genesco Inc.*, 141 USPQ 400, 404 (TTAB 1964) (brassieres and girdles related to slacks for men and young men).

Furthermore, the attached Internet evidence, consisting of entities that produce a variety of clothing goods, establishes that the same entity commonly produces the relevant goods and markets the goods under the same mark (See attached evidence from Adidas®, Gucci®, Kate Spade®, Michael Kors®, Puma, Nike, Ralph Lauren, and UnderArmour). Thus, applicant's and registrant's goods are considered related for likelihood of confusion purposes. *See, e.g., In re Davey Prods. Pty Ltd.*, 92 USPQ2d 1198, 1202-04 (TTAB 2009); *In re Toshiba Med. Sys. Corp.*, 91 USPQ2d 1266, 1268-69, 1271-72 (TTAB 2009).

The overriding concern is not only to prevent buyer confusion as to the source of the goods, but to protect the registrant from adverse commercial impact due to use of a similar mark by a newcomer. *See In re Shell Oil Co.*, 992 F.2d 1204, 1208, 26 USPQ2d 1687, 1690 (Fed. Cir. 1993). Therefore, any doubt regarding a likelihood of confusion determination is resolved in favor of the registrant. TMEP §1207.01(d)(i); *see Hewlett-Packard Co. v. Packard Press, Inc.*, 281 F.3d 1261, 1265, 62 USPQ2d 1001, 1003 (Fed. Cir. 2002); *In re Hyper Shoppes (Ohio), Inc.*, 837 F.2d 463, 464-65, 6 USPQ2d 1025, 1026 (Fed. Cir. 1988).

In light of the similarities between the marks and the relatedness of the goods, it is likely that consumers who encounter the parties' goods will falsely conclude that they originate from the same source.

Although applicant's mark has been refused registration, applicant may respond to the refusal by submitting evidence and arguments in support of registration.

### ***Applicant Encouraged to Seek Trademark Counsel***

Because of the legal technicalities and strict deadlines of the trademark application process, applicant is encouraged to hire a private attorney who specializes in trademark matters to assist in this process. The assigned trademark examining attorney can provide only limited assistance explaining the content of an Office action and the application process. USPTO staff cannot provide legal advice or statements about an applicant's legal rights. TMEP §§705.02, 709.06. See [Hiring a U.S.-licensed trademark attorney](#) for more information.

### ***Response Guidelines***

For this application to proceed, applicant must explicitly address each refusal and/or requirement in this Office action. For a refusal, applicant may provide written arguments and evidence against the refusal, and may have other response options if specified above. For a requirement, applicant should set forth the changes or statements. Please see “[Responding to Office Actions](#)” and the informational [video “Response to Office Action”](#) for more information and tips on responding.

An applicant may check the status of or view documents filed in an application or registration using the Trademark Status and Document Retrieval (TSDR) system. Enter the application serial number or registration number and click on “Status” or “Documents.”

Please call or email the assigned trademark examining attorney with questions about this Office action. Although an examining attorney cannot provide legal advice, the examining attorney can provide additional explanation about the refusal(s) and/or requirement(s) in this Office action. *See* TMEP §§705.02, 709.06. The USPTO does not accept emails as responses to Office actions; however, emails can be used for informal communications and are included in the application record. *See* 37 C.F.R. §§2.62(c), 2.191; TMEP §§304.01-.02, 709.04-.05.

**How to respond.** [\*\*Click to file a response to this nonfinal Office action.\*\*](#)

## RESPONSE GUIDANCE

- **Missing the response deadline to this letter will cause the application to abandon.** The response must be received by the USPTO before midnight **Eastern Time** of the last day of the response period. TEAS maintenance or [unforeseen circumstances](#) could affect an applicant’s ability to timely respond.
- **Responses signed by an unauthorized party are not accepted and can cause the application to abandon.** If applicant does not have an attorney, the response must be signed by the individual applicant, all joint applicants, or someone with [legal authority to bind a juristic applicant](#). If applicant has an attorney, the response must be signed by the attorney.

- If needed, **find [contact information for the supervisor](#)** of the office or unit listed in the signature block.

The screenshot shows a product listing page for men's training apparel on the Adidas website. At the top, there is a navigation bar with a menu icon, the Adidas logo, a search icon, and a shopping bag icon. Below the navigation bar, a banner states "FREE SHIPPING AND FREE RETURNS". The main heading is "WORKOUT & SPORTS TRAINING APPAREL" with "(1203 Products)" in parentheses. Below the heading are "FILTER BY" and "SORT BY" dropdown menus. Underneath these are filtering options: "x Training", "x Apparel", and a "Clear All" link. There are also left and right arrows for navigating through the products.

### PRODUCT STORY

Born in the late '60s and rocked by generations, the Suede is arguably PUMA's most iconic sneaker. Today, we're taking its classic look to new heights with the Suede Platform. The smooth suede upper appears with a grunge-inspired stacked sole and eye-catching metallic details.

### DETAILS

- Classic Suede silhouette with platform sole

## **United States Patent and Trademark Office (USPTO)**

### **USPTO OFFICIAL NOTICE**

Office Action (Official Letter) has issued

on August 23, 2022 for

**U.S. Trademark Application Serial No. 97120658**

A USPTO examining attorney has reviewed your trademark application and issued an Office action. You must respond to this Office action in order to avoid your application abandoning. Follow the steps below.

(1) [\*\*Read the Office action.\*\*](#) This email is NOT the Office action.

(2) **Respond to the Office action by the deadline** using the Trademark Electronic Application System (TEAS). Your response must be received by the USPTO on or before 11:59 p.m. **Eastern Time** of the last day of the response period. Otherwise, your application will be [abandoned](#). See the Office action itself regarding how to respond.

(3) **Direct general questions** about using USPTO electronic forms, the USPTO [website](#), the application process, the status of your application, and whether there are outstanding deadlines to the [Trademark Assistance Center \(TAC\)](#).

After reading the Office action, address any question(s) regarding the specific content to the USPTO examining attorney identified in the Office action.

## **GENERAL GUIDANCE**

- [\*\*Check the status of your application periodically\*\*](#) in the [Trademark Status & Document Retrieval \(TSDR\)](#) database to avoid missing critical deadlines.
- [\*\*Update your correspondence email address\*\*](#) to ensure you receive important USPTO notices about your application.
- [\*\*Beware of trademark-related scams\*\*](#). Protect yourself from people and companies that may try to take financial advantage of you. Private companies may call you and pretend to be the USPTO or may send you communications that resemble official USPTO documents to trick you. We will never request your credit card number or social security number over the phone. And all official USPTO correspondence will only be emailed from the domain “@uspto.gov.” Verify the correspondence originated from us by using your Serial Number in our database, [TSDR](#), to confirm that it appears under the “Documents” tab, or contact the [Trademark Assistance Center](#).

- **Hiring a U.S.-licensed attorney.** If you do not have an attorney and are not required to have one under the trademark rules, we encourage you to hire a U.S.-licensed attorney specializing in trademark law to help guide you through the registration process. The USPTO examining attorney is not your attorney and cannot give you legal advice, but rather works for and represents the USPTO in trademark matters.
