United States Patent and Trademark Office (USPTO) Office Action (Official Letter) About Applicant's Trademark Application

U.S. Application Serial No. 97120403

Mark: THE NASH COLLECTION

Correspondence Address:

SCOTT M. DOUGLASS
PATTERSON INTELLECTUAL PROPERTY LAW, PC
1600 DIVISION STREET, SUITE 500
NASHVILLE TN 37203 UNITED STATES

Applicant: REVV, LLC

Reference/Docket No. 024396

Correspondence Email Address: smd@iplawgroup.com

NONFINAL OFFICE ACTION

The USPTO must receive applicant's response to this letter within six months of the issue date below or the application will be abandoned. Respond using the Trademark Electronic Application System (TEAS). A link to the appropriate TEAS response form appears at the end of this Office action.

Issue date: August 22, 2022

The referenced application has been reviewed by the assigned trademark examining attorney. Applicant must respond timely and completely to the issue(s) below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

SUMMARY OF ISSUES:

- Section 2(d) Refusal - Likelihood of Confusion - Class 18
- Substitute Specimen Required - Class 18
- Disclaimer Required
- Identification of Goods and Services
- Multiple-Class Application Requirements

SECTION 2(d) REFUSAL – LIKELIHOOD OF CONFUSION **- CLASS 18**

The stated refusal refers to International Class 18 only and does not bar registration in the other classes.

Registration of the applied-for mark is refused because of a likelihood of confusion with the marks in U.S. Registration Nos. 6606720 and 4915540. Trademark Act Section 2(d), 15 U.S.C. §1052(d); see TMEP §§1207.01 *et seq.* See the attached registrations.

Trademark Act Section 2(d) bars registration of an applied-for mark that is so similar to a registered mark that it is likely consumers would be confused, mistaken, or deceived as to the commercial source of the goods and/or services of the parties. *See* 15 U.S.C. §1052(d). Likelihood of confusion is determined on a case-by-case basis by applying the factors set forth in *In re E. I. du Pont de Nemours & Co.*, 476 F.2d 1357, 1361, 177 USPQ 563, 567 (C.C.P.A. 1973) (called the “*du Pont* factors”). *In re i.am.symbolic, llc*, 866 F.3d 1315, 1322, 123 USPQ2d 1744, 1747 (Fed. Cir. 2017). Any evidence of record related to those factors need be considered; however, “not all of the *DuPont* factors are relevant or of similar weight in every case.” *In re Guild Mortg. Co.*, 912 F.3d 1376, 1379, 129 USPQ2d 1160, 1162 (Fed. Cir. 2019) (quoting *In re Dixie Rests., Inc.*, 105 F.3d 1405, 1406, 41 USPQ2d 1531, 1533 (Fed. Cir. 1997)).

Although not all *du Pont* factors may be relevant, there are generally two key considerations in any likelihood of confusion analysis: (1) the similarities between the compared marks and (2) the relatedness of the compared goods and/or services. *See In re i.am.symbolic, llc*, 866 F.3d at 1322, 123 USPQ2d at 1747 (quoting *Herbko Int'l, Inc. v. Kappa Books, Inc.*, 308 F.3d 1156, 1164-65, 64 USPQ2d 1375, 1380 (Fed. Cir. 2002)); *Federated Foods, Inc. v. Fort Howard Paper Co.*, 544 F.2d

1098, 1103, 192 USPQ 24, 29 (C.C.P.A. 1976) (“The fundamental inquiry mandated by [Section] 2(d) goes to the cumulative effect of differences in the essential characteristics of the goods [or services] and differences in the marks.”); TMEP §1207.01.

Here, applicant seeks registration of **THE NASH COLLECTION** in stylized font in connection with “Bags, namely, tote bags, athletic bags, backpacks, book bags, sports bags, bum bags, handbags, sports bags, tote bags, travelling bags; Luggage tags; Briefcases; Wallets; Credit card holders; Pet products, namely, collars, leashes, bandanas.”

The cited registrations appear in the chart below.

Mark	Goods	U.S. Reg. No.
NASH in stylized font	Leather accessories for men, namely, crossbody bags, duffels, backpacks, and small leather goods, namely, wallet	6606720
NASH in stylized font	Leather accessories for men, namely, crossbody bags, duffels, backpacks, and small leather goods, namely, wallets	4915540

Comparison of the Marks

Marks are compared in their entireties for similarities in appearance, sound, connotation, and commercial impression. *Stone Lion Capital Partners, LP v. Lion Capital LLP*, 746 F.3d 1317, 1321, 110 USPQ2d 1157, 1160 (Fed. Cir. 2014) (quoting *Palm Bay Imps., Inc. v. Veuve Clicquot Ponsardin Maison Fondee En 1772*, 396 F.3d 1369, 1371, 73 USPQ2d 1689, 1691 (Fed. Cir. 2005)); TMEP §1207.01(b)-(b)(v). “Similarity in any one of these elements may be sufficient to find the marks confusingly similar.” *In re Inn at St. John’s, LLC*, 126 USPQ2d 1742, 1746 (TTAB 2018) (citing *In re Davia*, 110 USPQ2d 1810, 1812 (TTAB 2014)), aff’d per curiam, 777 F. App’x 516, 2019 BL 343921 (Fed. Cir. 2019); TMEP §1207.01(b).

Marks may be confusingly similar in appearance where similar terms or phrases or similar parts of terms or phrases appear in the compared marks and create a similar overall commercial impression. See *Crocker Nat'l Bank v. Canadian Imperial Bank of Commerce*, 228 USPQ 689, 690-91 (TTAB 1986), aff'd sub nom. *Canadian Imperial Bank of Commerce v. Wells Fargo Bank, Nat'l Ass'n*, 811 F.2d 1490, 1495, 1 USPQ2d 1813, 1817 (Fed. Cir. 1987) (holding COMMCAH and COMMUNICASH confusingly similar); *In re Corning Glass Works*, 229 USPQ 65, 66 (TTAB 1985) (holding CONFIRM and CONFIRMCELLS confusingly similar); *In re Pellerin Milnor Corp.*, 221 USPQ 558, 560 (TTAB 1983) (holding MILTRON and MILLTRONICS confusingly similar); TMEP §1207.01(b)(ii)-(iii).

In this case, all the wording in applicant's mark is contained in the marks in the cited registrations. Applicant's mark adds the word THE and a word that applicant must disclaim, as will be discussed in greater detail below. When comparing similar marks, the Trademark Trial and Appeal Board has found that inclusion of the term “the” at the beginning of one of the marks will generally not affect or otherwise diminish the overall similarity between the marks. See *In re Thor Tech Inc.*, 90 USPQ2d 1634, 1635 (TTAB 2009). Further, matter that is descriptive of or generic for a party's goods and/or services is typically less significant or less dominant when comparing marks. *In re Detroit Athletic Co.*, 903 F.3d 1297, 1305, 128 USPQ2d 1047, 1050 (Fed. Cir. 2018) (citing *In re Dixie Rests., Inc.*, 105 F.3d 1405, 1407, 41 USPQ2d 1531, 1533-34 (Fed. Cir. 1997)); TMEP §1207.01(b)(viii), (c)(ii).

Accordingly, the dominant feature in each mark is NASH, which is the identical term in each mark. As such, applicant's mark creates a similar overall commercial impression to the mark in the cited

registrations.

Relatedness of the Goods

The goods and/or services are compared to determine whether they are similar, commercially related, or travel in the same trade channels. *See Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1369-71, 101 USPQ2d 1713, 1722-23 (Fed. Cir. 2012); *Hercko Int'l, Inc. v. Kappa Books, Inc.*, 308 F.3d 1156, 1165, 64 USPQ2d 1375, 1381 (Fed. Cir. 2002); TMEP §§1207.01, 1207.01(a)(vi).

The attached Internet evidence, consisting of screenshots from Coach, Fossil, and Tumi, establishes that the various goods in the instant application are made and sold under the same mark to the same consumers via the same trade channels as the various goods in the cited registrations. Thus, applicant's and registrant's goods and/or services are considered related for likelihood of confusion purposes. *See, e.g., In re Davey Prods. Pty Ltd.*, 92 USPQ2d 1198, 1202-04 (TTAB 2009); *In re Toshiba Med. Sys. Corp.*, 91 USPQ2d 1266, 1268-69, 1271-72 (TTAB 2009).

Thus, upon encountering applicant's and registrant's marks, consumers are likely to be confused and mistakenly believe that the respective goods emanate from a common source. Accordingly, applicant's mark must be refused registration under Section 2(d) of the Lanham Act.

Response Options

Applicant may respond to the stated refusal by submitting evidence and arguments against the refusal. In addition, applicant may respond by doing one of the following:

- (1) Deleting the class to which the refusal pertains;
- (2) Filing a [Request to Divide Application form](#) (form #3) to divide out the goods and/or services that have not been refused registration, so that the mark may proceed toward publication for opposition in the classes to which the refusal does not pertain. *See* 37 C.F.R. §2.87. *See generally* TMEP §§1110 *et seq.* (regarding the requirements for filing a request to divide). If applicant files a request to divide, then to avoid abandonment, applicant must also file a timely response to all outstanding issues in this Office action, including the refusal. 37 C.F.R. §2.87(e).

Applicant should note the following additional ground for refusal.

SUBSTITUTE SPECIMEN REQUIERD - CLASS 18

Registration is refused because the specimen does not show the applied-for mark as actually used in commerce in connection with any of the goods and/or services specified in International Class(es) 18. Trademark Act Sections 1 and 45, 15 U.S.C. §§1051, 1127; 37 C.F.R. §§2.34(a)(1)(iv), 2.56(a); *In re Keep A Breast Found.*, 123 USPQ2d 1869, 1876-79 (TTAB 2017); TMEP §§904, 904.07(a), 1301.04(d), (g)(i). An application based on Trademark Act Section 1(a) must include a specimen showing the applied-for mark as actually used in commerce for each international class of goods and/or services identified in the application or amendment to allege use. 15 U.S.C. §1051(a)(1); 37 C.F.R. §§2.34(a)(1)(iv), 2.56(a); TMEP §§904, 904.07(a); *see In re Gulf Coast Nutritionals, Inc.*, 106 USPQ2d 1243, 1247 (TTAB 2013).

Specifically, the tag on the pet collar and leash shown in Class 18 contain the mark ALL STAR DOGS on the tag and only the word NASH on the goods in an ornamental fashion. Here, the applied-for mark is THE NASH COLLECTION in a stylized font.

Examples of specimens. Specimens for goods include a photograph of (1) the actual goods bearing the mark; (2) an actual container, packaging, tag or label for the goods bearing the mark; or (3) a point-of-sale display showing the mark directly associated with the goods. *See* 37 C.F.R. §2.56(b)(1), (c); TMEP §904.03(a)-(m). A webpage specimen submitted as a display associated with the goods must show the mark in association with a picture or textual description of the goods and include information necessary for ordering the goods. TMEP §904.03(i); *see* 37 C.F.R. §2.56(b)(1), (c).

Specimens for services must show a direct association between the mark and the services and include: (1) copies of advertising and marketing material, (2) a photograph of business signage or billboards, or (3) materials showing the mark in the sale, rendering, or advertising of the services. *See* 37 C.F.R. §2.56(b)(2), (c); TMEP §1301.04(a), (h)(iv)(C).

Any webpage printout or screenshot submitted as a specimen must include the webpage's URL and the date it was accessed or printed on the specimen itself, within the TEAS form that submits the specimen, or in a verified statement under 37 C.F.R. §2.20 or 28 U.S.C. §1746 in a later-filed response. *See* 37 C.F.R. §2.56(c); TMEP §§904.03(i), 1301.04(a).

Response options. Applicant may respond to this refusal by satisfying one of the following for each applicable international class:

- (1) Submit a different specimen (a verified “[substitute](#)” specimen) that (a) was in actual use in commerce at least as early as the filing date of the application or prior to the filing of an amendment to allege use and (b) shows the mark in actual use in commerce for the goods and/or services identified in the application or amendment to allege use. A “verified substitute specimen” is a specimen that is accompanied by the following statement made in a signed affidavit or supported by a declaration under 37 C.F.R. §2.20: “The substitute (or new, or originally submitted, if appropriate) specimen(s) was/were in use in commerce at least as early as the filing date of the application or prior to the filing of the amendment to allege use.” The substitute specimen cannot be accepted without this statement.
- (2) Amend the filing basis to [intent to use under Section 1\(b\)](#) (which includes withdrawing an amendment to allege use, if one was filed), as no specimen is required before publication. This option will later necessitate additional fee(s) and filing requirements, including a specimen.

For an overview of the response options referenced above and instructions on how to satisfy these options using the online Trademark Electronic Application System (TEAS) form, see the [Specimen webpage](#).

DISCLAIMER REQUIRED

Applicant must disclaim the wording “COLLECTION” because it is merely descriptive of an ingredient, quality, characteristic, function, feature, purpose, or use of applicant’s goods and/or services. *See* 15 U.S.C. §1052(e)(1); *DuoProSS Meditech Corp. v. Inviro Med. Devices, Ltd.*, 695 F.3d

1247, 1251, 103 USPQ2d 1753, 1755 (Fed. Cir. 2012); TMEP §§1213, 1213.03(a).

The attached evidence from The American Heritage Dictionary shows this wording means "A line of products produced for one season, as those developed by a designer." Thus, the wording merely describes a feature of applicant's goods, in that the goods are from a line of products as well as applicant's services which feature the sale of applicant's line of goods.

Applicant may respond to this issue by submitting a disclaimer in the following format:

No claim is made to the exclusive right to use “COLLECTION” apart from the mark as shown.

For an overview of disclaimers and instructions on how to provide one using the Trademark Electronic Application System (TEAS), see the [Disclaimer webpage](#).

IDENTIFICATION OF GOODS AND SERVICES

The wording "Paper products, namely, agendas, calendars, decals, notebooks, stationery, stickers, novelty buttons" in the identification of goods for International Class 16 must be clarified because it is too broad and could include goods in other international classes. *See 37 C.F.R. §2.32(a)(6); TMEP §§1402.01, 1402.03.* In particular, all of this wording but for "novelty buttons" is classified in Class 16 whereas novelty buttons are classified in Class 26.

In Clas 18, the wording "sports bags" and "tote bags" are duplicate entries in the same clause. Applicant is advised to delete this wording or further narrow it. *See generally TMEP §§1402.01, 1402.01(a).* If applicant does not respond to this issue, be advised that the USPTO will remove duplicate entries from the identification prior to registration.

If modifying one of the duplicate entries, applicant may amend it to clarify or limit the goods and/or services, but not to broaden or expand the goods and/or services beyond those in the original application or as acceptably amended. *See 37 C.F.R. §2.71(a); TMEP §1402.06.* Also, generally, any deleted goods and/or services may not later be reinserted. *TMEP §1402.07(e).*

In addition, applicant must clarify the types of collars, leashes and bandanas in Class 18.

In Class 21, applicant must indicate its foam drink holders are sleeves for proper classification in Class 21. Further, the wording "Insulated drinking cups and parts and fittings therefor" is indefinite and must be clarified to indicate the specific part(s) or indicate the goods are replacement parts.

In Class 25, the wording "denims" is indefinite and must be clarified to indicate the specific nature of the goods. Further, the wording "outerwear" and "baby clothes" is indefinite and must be clarified to indicate the specific articles of each. Finally, the wording "jackets" in the identification of goods for International Class 25 must be clarified because it is too broad and could include goods in other international classes. *See 37 C.F.R. §2.32(a)(6); TMEP §§1402.01, 1402.03.* In particular, this wording could encompass straight jackets in Class 10, clothing jackets in Class 25, swimming jackets in Class 28.

Applicant may substitute the following wording, if accurate (changes in bold):

Class 14: is definite as filed

Class 16: Paper products, namely, agendas, calendars, decals, notebooks, stationery, stickers, ~~novelty buttons~~

Class 18: Bags, namely, tote bags, athletic bags, backpacks, book bags, sports bags, bum bags, handbags, ~~sports bags, tote bags~~, travelling bags; Luggage tags; Briefcases; Wallets; Credit card holders; Pet products, namely, {indicate type e.g., pet} collars,{indicate type e.g., animal} leashes, bandanas **in the nature of {indicate type of bandana properly classified in Class 18 e.g., being clothing for pets}**

Class 21: Beverage glassware; Bottle openers; Mugs; Plastic water bottles sold empty; Foam drink holders **being sleeves**; Thermal insulated containers for food or beverages; Insulated drinking cups and **replacement** parts and fittings therefor; Insulating sleeve holder for beverage cups; Drinking cups sold with lids therefor; Drinking cups for babies and children; Cups, bottles, and mugs sold with lids that double as a cup, sold empty

Class 24: is definite as filed

Class 25: Clothing, namely, denim jackets, denims **in the nature of pants, clothing** jackets, leggings, outerwear **in the nature of {indicate specific good(s) e.g., outer jackets}**, coats, hats, beanies, gloves, shirts, socks, women's tops, sweaters, sweatshirts, toboggan hats, yoga pants, yoga shirts, athletic shirts, baseball caps, trucker hats, flat bill hats, collared shirts, hooded sweatshirts, long-sleeved shirts, polo shirts, short-sleeved shirts, sports shirts, tee shirts, baby clothes **in the nature of {indicate specific good(s) e.g., one-piece garments for babies}**

Class 26: Novelty buttons

Class 035: is definite as filed

Applicant may amend the identification to clarify or limit the goods and/or services, but not to broaden or expand the goods and/or services beyond those in the original application or as acceptably amended. *See* 37 C.F.R. §2.71(a); TMEP §1402.06. Generally, any deleted goods and/or services may not later be reinserted. *See* TMEP §1402.07(e).

For assistance with identifying and classifying goods and services in trademark applications, please see the USPTO's online searchable *U.S. Acceptable Identification of Goods and Services Manual*. *See* TMEP §1402.04.

MULTIPLE-CLASS APPLICATION REQUIREMENTS

The application identifies goods and/or services that are classified in at least eight classes; however, applicant submitted a fee sufficient for only seven classes. In a multiple-class application, a fee for each class is required. 37 C.F.R. §2.86(a)(2), (b)(2); TMEP §§810.01, 1403.01. For more information about adding classes to an application, see the [Multiple-class Application webpage](#).

Therefore, applicant must either (1) restrict the application to the number of classes covered by the fees already paid, or (2) submit the fees for each additional class.

The fee for adding classes to a TEAS Standard application is \$350 per class. *See* 37 C.F.R.

§2.6(a)(1)(iii). For more information about adding classes to an application, see the [Multiple-class Application webpage](#).

The application references goods and/or services based on use in commerce in more than one international class; therefore, applicant must satisfy all the requirements below for each international class:

- (1) **List the goods and/or services by their international class number** in consecutive numerical order, starting with the lowest numbered class (for example, International Class 3: perfume; International Class 18: cosmetic bags sold empty).
- (2) **Submit a filing fee for each international class** not covered by the fee(s) already paid (view the [USPTO's current fee schedule](#)). Specifically, the application identifies goods and/or services based on use in commerce that are classified in at least eight classes; however, applicant submitted a fee sufficient for only seven classes. Applicant must either (a) submit the filing fees for the classes not covered by the submitted fees or (b) restrict the application to the number of classes covered by the fees already paid.
- (3) **Submit verified dates of first use of the mark** anywhere and in commerce **for each international class**. See more information about [verified dates of use](#).
- (4) **Submit a specimen for each international class.** The current specimen is acceptable for classes 14, 16, 21, 24, 25, 26, and 35; and applicant needs a specimen for class 18. See more information about [specimens](#).

Examples of specimens. Specimens for goods include a photograph of (1) the actual goods bearing the mark; (2) an actual container, packaging, tag or label for the goods bearing the mark; or (3) a point-of-sale display showing the mark directly associated with the goods. *See 37 C.F.R. §2.56(b)(1), (c); TMEP §904.03(a)-(m).* A webpage specimen submitted as a display associated with the goods must show the mark in association with a picture or textual description of the goods and include information necessary for ordering the goods. TMEP §904.03(i); *see 37 C.F.R. §2.56(b)(1), (c).*

Specimens for services must show a direct association between the mark and the services and include: (1) copies of advertising and marketing material, (2) a photograph of business signage or billboards, or (3) materials showing the mark in the sale, rendering, or advertising of the services. *See 37 C.F.R. §2.56(b)(2), (c); TMEP §1301.04(a), (h)(iv)(C).*

Any webpage printout or screenshot submitted as a specimen must include the webpage's URL and the date it was accessed or printed on the specimen itself, within the TEAS form that submits the specimen, or in a verified statement under 37 C.F.R. §2.20 or 28 U.S.C. §1746 in a later-filed response. *See 37 C.F.R. §2.56(c); TMEP §§904.03(i), 1301.04(a).*

- (5) **Submit a verified statement** that “**The specimen was in use in commerce on or in connection with the goods and/or services listed in the application at least as early as the filing date of the application.**” See more information about [verification](#).

See 37 C.F.R. §2.86(a); TMEP §§1403.01, 1403.02(c).

For an overview of the requirements for a Section 1(a) multiple-class application and how to satisfy the

requirements online using the Trademark Electronic Application System (TEAS) form, see the [Multiple-class Application webpage](#).

ASSISTANCE

Please call or email the assigned trademark examining attorney with questions about this Office action. Although an examining attorney cannot provide legal advice, the examining attorney can provide additional explanation about the refusal(s) and/or requirement(s) in this Office action. *See* TMEP §§705.02, 709.06.

The USPTO does not accept emails as responses to Office actions; however, emails can be used for informal communications and are included in the application record. *See* 37 C.F.R. §§2.62(c), 2.191; TMEP §§304.01-.02, 709.04-.05.

How to respond. [**Click to file a response to this nonfinal Office action.**](#)

RESPONSE GUIDANCE

- **Missing the response deadline to this letter will cause the application to abandon.** The response must be received by the USPTO before midnight **Eastern Time** of the last day of the response period. TEAS maintenance or [unforeseen circumstances](#) could affect an applicant's ability to timely respond.
- **Responses signed by an unauthorized party** are not accepted and can **cause the application to abandon**. If applicant does not have an attorney, the response must be signed by the individual applicant, all joint applicants, or someone with [legal authority to bind a juristic applicant](#). If applicant has an attorney, the response must be signed by the attorney.
- If needed, **find contact information for the supervisor** of the office or unit listed in the signature block.

The screenshot shows a product listing page for backpacks on the Coach website. The top section displays four backpacks in a grid format:

- Disney X Coach Charter Backpack: \$550, 4.5 stars (28 reviews)
- Baby Backpack In Signature Calfskin: \$495, 4.5 stars (68 reviews)
- Baby Backpack: \$495, 4.5 stars (68 reviews)
- Gotham Backpack In Signature Calfskin: \$450, 4.5 stars (4 reviews)

Below this, there are two more rows of four backpacks each. The products shown are:

- Leather backpack: \$995
- Charter Backpack: \$695
- Charter Backpack: \$595
- Gotham Backpack: \$650
- League Flap Backpack In Signature Calfskin: \$995
- Charter Backpack: \$695
- Charter Backpack With Camo Print: \$795
- Gotham Backpack: \$650

On the left side of the page, there is a sidebar with filter options and promotional banners:

- Color: COLOR (dropdown menu)
- Price: PRICE
- Bag Size: BAG SIZE
- Material: MATERIAL
- Sustainable Materials: SUSTAINABLE MATERIALS
- Bag Categories: BAG CATEGORIES
- Collection: COLLECTION (dropdown menu)

Two promotional banners are visible:

- GET \$15 OFF (with an 'X' to close)
- GET \$15 OFF (with an 'X' to close)

A large search bar is located at the bottom right of the page.

Wallet Designs Made For You

Everyone needs a wallet. It doesn't matter what your daily routine looks like or your style preference, a leather wallet is a necessity when it comes to keeping up with your credit cards, cash and ID. That's why we've spent decades designing the best men's wallets and women's wallets on the market. From your first wallet as a teen to your favorite wallet as an adult, we have the wallet types that suit you best and keep up with your day-to-day. You'll love browsing our collection of genuine leather wallets — along with our sustainable Kier cactus leather wallets — and discovering unique designs, bold colors and dependable neutrals that match your wardrobe. Shop our wide selection of men's and women's wallet styles today and discover the perfect addition to your daily lineup.

FIND YOUR NEW EVERYDAY CROSSBODY BAG

FREE SHIPPING ×

For a sleek style that's ready for any adventure, reach for a TUMI crossbody bag. Our versatile crossbody purses and messenger bags are built to last through trips, commutes and any other journeys that life brings your way. Modern designs and durable yet luxe materials like leather unite to create minimalist styles with maximum impact. At the same time, intuitive features like adjustable straps and key leashes make our crossbodies a cinch to wear every day.

In our collection, you'll find lightweight crossbody purses in a range of colors and sizes. Shop TUMI today and find the piece (or pieces) that fit your lifestyle.

FROM CROSSBODIES TO MESSENGER BAGS

When browsing for a crossbody bag for yourself or a loved one, you can narrow down your options by keeping activities, usage and lifestyle in mind. What items do you need close at hand when you leave the house? Are you looking for a neutral bag that can complement any outfit or a purse in a brighter shade.

Smaller crossbodies and belt bags are great for carrying everyday essentials like your wallet and keys. And when you have somewhere to be, a crossbody purse is your grab-and-go companion. Keep it filled with your must-haves, and you can be out the door in an instant. For an easy dose of color coordination, match your phone case to your bag.

On the opposite end of the bag-size spectrum, we have messenger bags. These styles offer a roomier interior for tech, toiletries and anything else you may need throughout the day. Use these larger crossbody bags to keep your essentials within easy reach while commuting or traveling.

Your next TUMI is right here. Shop our collection of crossbody purses and messenger bags for a piece that will keep up with your active lifestyle.

THE PERFECT EVERYDAY WALLETS & CARD HOLDERS

Keep your cards, cash and other essentials close with a wallet or card case from TUMI. Our sleek, sophisticated pieces are designed for performance and crafted from premium materials, including leather and carbon fiber. From innovative card cases to classic money clips, TUMI's pieces blend seamlessly into an on-the-go lifestyle. Shop our wallets, wristlets, card holders and more, and find a must-have style for yourself or a loved one.

FREE SHIPPING

TYPES OF WALLETS: FIND THE RIGHT STYLE FOR YOU

In this collection, you'll find a thoughtfully curated variety of card cases and wallets, including lanyard-style card holders, clutches, travel wallets and billfolds. All our styles are designed to perform beautifully even under the stress of daily use. Whether you're searching for an oversized continental wallet, adding to your collection of wristlets or shopping for a new everyday wallet that matches your usual crossbody bag, you deserve a piece that will be by your side wherever your travels take you.

Not sure where to start? The right wallet will fit your lifestyle, aesthetic and unique needs. A passport case is the card holder of choice for worldwide travelers, for example, because it offers easy access to your most important documents and cards. Tuck it into your carry-on luggage alongside your tech travel cases, and you're ready for that international flight.

For a slim, simple way to corral loose bills, opt for our money clips. These understated pieces also make elegant gifts. We recommend pairing it with one of our men's belts for a timeless gift he'll reach for day in and day out.

If you find yourself frequently shuffling around receipts, membership cards and other important items, opt for a crossbody wallet with multiple pockets to keep things safe and organized. Browse card holders and wallets from TUMI today to find a style that fits your needs.

United States Patent and Trademark Office (USPTO)

USPTO OFFICIAL NOTICE

Office Action (Official Letter) has issued

on August 22, 2022 for

U.S. Trademark Application Serial No. 97120403

A USPTO examining attorney has reviewed your trademark application and issued an Office action. You must respond to this Office action in order to avoid your application abandoning. Follow the steps below.

(1) [**Read the Office action**](#). This email is NOT the Office action.

(2) **Respond to the Office action by the deadline** using the Trademark Electronic Application System (TEAS). Your response must be received by the USPTO on or before 11:59 p.m. **Eastern Time** of the last day of the response period. Otherwise, your application will be [abandoned](#). See the Office action itself regarding how to respond.

(3) **Direct general questions** about using USPTO electronic forms, the USPTO [website](#), the application process, the status of your application, and whether there are outstanding deadlines to the [Trademark Assistance Center \(TAC\)](#).

After reading the Office action, address any question(s) regarding the specific content to the USPTO examining attorney identified in the Office action.

GENERAL GUIDANCE

- [**Check the status of your application periodically**](#) in the [Trademark Status & Document Retrieval \(TSDR\)](#) database to avoid missing critical deadlines.
- [**Update your correspondence email address**](#) to ensure you receive important USPTO notices about your application.
- [**Beware of trademark-related scams**](#). Protect yourself from people and companies that may try to take financial advantage of you. Private companies may call you and pretend to be the USPTO or may send you communications that resemble official USPTO documents to trick you. We will never request your credit card number or social security number over the phone. And all official USPTO correspondence will only be emailed from the domain “@uspto.gov.” Verify the correspondence originated from us by using your Serial Number in our database, [TSDR](#), to confirm that it appears under the “Documents” tab, or contact the [Trademark Assistance Center](#).

- **Hiring a U.S.-licensed attorney.** If you do not have an attorney and are not required to have one under the trademark rules, we encourage you to hire a U.S.-licensed attorney specializing in trademark law to help guide you through the registration process. The USPTO examining attorney is not your attorney and cannot give you legal advice, but rather works for and represents the USPTO in trademark matters.

User: Michael Einsnach
