United States Patent and Trademark Office (USPTO) Office Action (Official Letter) About Applicant's Trademark Application

U.S. Application Serial No. 97118818

Mark: ALPHA

Correspondence Address:

JUN S. HA
LOZA & LOZA, LLP
305 N. SECOND AVE., #127
UPLAND CA 91786 UNITED STATES

Applicant: MAKENINE

Reference/Docket No. AIPKO-2261A

Correspondence Email Address: jun-pto@lozaip.com

NONFINAL OFFICE ACTION

The USPTO must receive applicant's response to this letter within six months of the issue date below or the application will be abandoned. Respond using the Trademark Electronic Application System (TEAS). A link to the appropriate TEAS response form appears at the end of this Office

action.

Issue date: August 24, 2022

The referenced application has been reviewed by the assigned trademark examining attorney. Applicant must respond timely and completely to the issue(s) below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

SUMMARY OF ISSUES:

- Section 2(d) Refusal – Likelihood Of Confusion

SECTION 2(d) REFUSAL – LIKELIHOOD OF CONFUSION

Registration of the applied-for mark is refused because of a likelihood of confusion with the mark in U.S. Registration No. 6696550

. Trademark Act Section 2(d), 15 U.S.C. §1052(d); *see* TMEP §§1207.01 *et seq.* See the attached registration.

Applicant has applied for the mark ALPHA for "International Class 021: Non-electrical coffee grinders; coffee scoops; coffee tamper; coffee cups." Registrant's mark is ALPHA420 for, in relevant parts, "Class 021: mugs; Non-electrical coffee grinders."

Trademark Act Section 2(d) bars registration of an applied-for mark that is so similar to a registered mark that it is likely consumers would be confused, mistaken, or deceived as to the commercial source of the goods and/or services of the parties. *See* 15 U.S.C. §1052(d). Likelihood of confusion is determined on a case-by-case basis by applying the factors set forth in *In re E. I. du Pont de Nemours & Co.*, 476 F.2d 1357, 1361, 177 USPQ 563, 567 (C.C.P.A. 1973) (called the "du Pont factors"). *In re i.am.symbolic, llc*, 866 F.3d 1315, 1322, 123 USPQ2d 1744, 1747 (Fed. Cir. 2017). Any evidence of record related to those factors need be considered; however, "not all of the DuPont factors are relevant or of similar weight in every case." *In re Guild Mortg. Co.*, 912 F.3d 1376, 1379, 129 USPQ2d 1160, 1162 (Fed. Cir. 2019) (quoting *In re Dixie Rests., Inc.*, 105 F.3d 1405, 1406, 41 USPQ2d 1531, 1533 (Fed. Cir. 1997)).

Although not all *du Pont* factors may be relevant, there are generally two key considerations in any likelihood of confusion analysis: (1) the similarities between the compared marks and (2) the relatedness of the compared goods and/or services. *See In re i.am.symbolic, llc*, 866 F.3d at 1322, 123 USPQ2d at 1747 (quoting *Herbko Int'l, Inc. v. Kappa Books, Inc.*, 308 F.3d 1156, 1164-65, 64 USPQ2d 1375, 1380 (Fed. Cir. 2002)); *Federated Foods, Inc. v. Fort Howard Paper Co.*, 544 F.2d 1098, 1103, 192 USPQ 24, 29 (C.C.P.A. 1976) ("The fundamental inquiry mandated by [Section] 2(d) goes to the cumulative effect of differences in the essential characteristics of the goods [or services] and differences in the marks."); TMEP §1207.01.

COMPARISON OF THE MARKS

Marks are compared in their entireties for similarities in appearance, sound, connotation, and commercial impression. *Stone Lion Capital Partners, LP v. Lion Capital LLP*, 746 F.3d 1317, 1321, 110 USPQ2d 1157, 1160 (Fed. Cir. 2014) (quoting *Palm Bay Imps., Inc. v. Veuve Clicquot Ponsardin Maison Fondee En 1772*, 396 F.3d 1369, 1371, 73 USPQ2d 1689, 1691 (Fed. Cir. 2005)); TMEP

§1207.01(b)-(b)(v). “Similarity in any one of these elements may be sufficient to find the marks confusingly similar.” *In re Inn at St. John’s, LLC*, 126 USPQ2d 1742, 1746 (TTAB 2018) (citing *In re Davia*, 110 USPQ2d 1810, 1812 (TTAB 2014)), *aff’d per curiam*, 777 F. App’x 516, 2019 BL 343921 (Fed. Cir. 2019); TMEP §1207.01(b).

Consumers are generally more inclined to focus on the first word, prefix, or syllable in any trademark or service mark. *See Palm Bay Imps., Inc. v. Veuve Clicquot Ponsardin Maison Fondée En 1772*, 396 F.3d 1369, 1372, 73 USPQ2d 1689, 1692 (Fed. Cir. 2005) (finding similarity between VEUVE ROYALE and two VEUVE CLICQUOT marks in part because “VEUVE . . . remains a ‘prominent feature’ as the first word in the mark and the first word to appear on the label”); *Century 21 Real Estate Corp. v. Century Life of Am.*, 970 F.2d 874, 876, 23 USPQ2d 1698, 1700 (Fed Cir. 1992) (finding similarity between CENTURY 21 and CENTURY LIFE OF AMERICA in part because “consumers must first notice th[e] identical lead word”); *see also In re Detroit Athletic Co.*, 903 F.3d 1297, 1303, 128 USPQ2d 1047, 1049 (Fed. Cir. 2018) (finding “the identity of the marks’ two initial words is particularly significant because consumers typically notice those words first”). Here, both marks begin with ALPHA.

Although applicant’s mark does not contain the entirety of the registered mark, applicant’s mark is likely to appear to prospective purchasers as a shortened form of registrant’s mark. *See In re Mighty Leaf Tea*, 601 F.3d 1342, 1348, 94 USPQ2d 1257, 1260 (Fed. Cir. 2010) (quoting *United States Shoe Corp.*, 229 USPQ 707, 709 (TTAB 1985)). Thus, merely omitting some of the wording from a registered mark may not overcome a likelihood of confusion. *See In re Mighty Leaf Tea*, 601 F.3d 1342, 94 USPQ2d 1257; *In re Optica Int’l*, 196 USPQ 775, 778 (TTAB 1977); TMEP §1207.01(b)(ii)-(iii). In this case, applicant’s mark does not create a distinct commercial impression from the registered mark because it contains some of the wording in the registered mark and does not add any wording that would distinguish it from that mark.

COMPARISON OF THE GOODS

The goods and/or services are compared to determine whether they are similar, commercially related, or travel in the same trade channels. *See Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1369-71, 101 USPQ2d 1713, 1722-23 (Fed. Cir. 2012); *Herbko Int’l, Inc. v. Kappa Books, Inc.*, 308 F.3d 1156, 1165, 64 USPQ2d 1375, 1381 (Fed. Cir. 2002); TMEP §§1207.01, 1207.01(a)(vi). Here, both the applicant and registrant produce non-electric coffee grinders. Further, a “mug” is a “cup” and the goods are legally identical.

The compared goods and/or services need not be identical or even competitive to find a likelihood of confusion. *See On-line Careline Inc. v. Am. Online Inc.*, 229 F.3d 1080, 1086, 56 USPQ2d 1471, 1475 (Fed. Cir. 2000); *Recot, Inc. v. Becton*, 214 F.3d 1322, 1329, 54 USPQ2d 1894, 1898 (Fed. Cir. 2000); TMEP §1207.01(a)(i). They need only be “related in some manner and/or if the circumstances surrounding their marketing are such that they could give rise to the mistaken belief that [the goods and/or services] emanate from the same source.” *Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1369, 101 USPQ2d 1713, 1722 (Fed. Cir. 2012) (quoting *7-Eleven Inc. v. Wechsler*, 83 USPQ2d 1715, 1724 (TTAB 2007)); TMEP §1207.01(a)(i).

The attached Internet evidence, consisting of amazon.com and walmart.com, establishes that the same entity commonly manufactures, produces, or provides the relevant goods and/or services and markets the goods and/or services under the same mark. Specifically, companies that produce grinders commonly produce scoops and tampers. Thus, applicant’s and registrant’s goods and/or services are

considered related for likelihood of confusion purposes. *See, e.g., In re Davey Prods. Pty Ltd.*, 92 USPQ2d 1198, 1202-04 (TTAB 2009); *In re Toshiba Med. Sys. Corp.*, 91 USPQ2d 1266, 1268-69, 1271-72 (TTAB 2009).

Thus, upon encountering applicant's and registrant's marks, consumers are likely to be confused and mistakenly believe that the respective goods emanate from a common source.

Although applicant's mark has been refused registration, applicant may respond to the refusal(s) by submitting evidence and arguments in support of registration.

Please call or email the assigned trademark examining attorney with questions about this Office action. Although an examining attorney cannot provide legal advice, the examining attorney can provide additional explanation about the refusal(s) and/or requirement(s) in this Office action. *See* TMEP §§705.02, 709.06.

The USPTO does not accept emails as responses to Office actions; however, emails can be used for informal communications and are included in the application record. *See* 37 C.F.R. §§2.62(c), 2.191; TMEP §§304.01-.02, 709.04-.05.

How to respond. [**Click to file a response to this nonfinal Office action.**](#)

RESPONSE GUIDANCE

- **Missing the response deadline to this letter will cause the application to abandon.** The response must be received by the USPTO before midnight **Eastern Time** of the last day of the response period. TEAS maintenance or [unforeseen circumstances](#) could affect an applicant's ability to timely respond.
- **Responses signed by an unauthorized party** are not accepted and can **cause the application to abandon**. If applicant does not have an attorney, the response must be signed by the individual applicant, all joint applicants, or someone with [legal authority to bind a juristic applicant](#). If applicant has an attorney, the response must be signed by the attorney.
- If needed, **find contact information for the supervisor** of the office or unit listed in the signature block.

Question: Coming from a person that has never owned a manual coffee grinder but loves espresso greatly and had a 2 lb bag gifted to me will i be happy with this?

Answer: It does take a really long time to grind. I love espresso but I wish I had bought an electric one. The last thing I want to do first thing in the morning is grinding coffee for 3 mins just to make enough for 2 cups. Not a bad product but I feel like it might be more for a connoisseur or someone with more patience.

By Muddisen on August 12, 2020

[See more answers \(5\)](#)

Question: Is there any way to get a consistent coarse grind? I've tried coarse and medium and it still creates too fine of grinds and clogs my steel filters.

Answer: The grinder is ceramic and there is a dial to adjust the grind to what ever you want. I have been using this grinder now for about six months daily and it is consistently the same coarseness. I have yet to have to take it apart and deep clean it. However, I am grinding for a French press, so I use a fairly coarse grind... see more

Question: Can this be used on the keurig? And what grain?

Answer: Ignore the pretentious answer. Yes it works for keurig if you have a reusable pod. I grind my coffee for my keurig every day and it tastes much more fresh than preground or Kups. Use a medium-fine grind. If your filter is pretty full, you may want to use paper filters as well so you don't get grounds backed up into... see more

Gerard McLean

★★★★☆ Emergency coffee grinder

Reviewed in the United States on August 5, 2022

Size: 11oz Jar Verified Purchase

The first thing you need when you wake up and find the power has gone had every component — LP gas for a kettle, cone and filters for pour over grinder. And now I do. So, I'm pretty much ready for the apocalypse! I want to slow down the coffee making routine at the beginning of the day. Not recommended if you are in a hurry because you will oversleeping as you'll miss the only sunrise of the day.

Should have had something to keep the burr shaft centered which would have been nice to have. It is when you crank around in a circle you are going to have small grind on one side of the circle. Also would be nice to have a spring that holds the burr shaft centered.

 Jackie

★★★★★ Pretty good out of the box and grind particle

Reviewed in the United States on June 18, 2022

Size: 5.5oz Jar **Verified Purchase**

I wanted to get a burr grinder for coffee since I drink pour overs and my husband uses the gaggia for his espresso. I tested the particles and it seems to grind well for med-fine, but is more irregular for coarser grind. Also the burr kinda wobbles so there were more irregularities with a larger sample.

There is also no markers for grind fineness, so I made little dots on the inside as a guide. Not so friendly if you have small hands.

Overall, not bad for the price.

Package List: 1pc Manual Coffee Grinder

Feature:

1. No batteries, power, or long plastic cords needed to operate your portable compact coffee grinder, allowing you to travel with and brew freshly roasted ground coffee beans on your next camping, hiking, backpacking, or outdoors trip.
2. Convenient removable hand crank mechanism consistently eliminates over 90% of the noise that electric grinders produce.
3. Stainless steel manual coffee grinder with a Unique Screw Patent that prevents the handle from falling off while grinding, making it more stable and easier to grind.
4. Lightweight and portable, our grinder is great for home, office, travel, picnic, camping and other outdoor activities.
5. It is completely silent compared to the electric grinders and no batteries or power is needed.

Warm hints:

For the first time, please clean it with detergent and dry it. Put it in a cool place to dry.

Do not use a steel wire brush and other hard tools to clean, to avoid the impact of scratch.

Notes:

- 1.Due to the different monitor and light effect, the actual color of the item might be slightly different from the color showed on the pictures. Thank you!
 - 2.Please allow 1-3cm measuring deviation due to manual measurement.
 - No batteries, power, or long plastic cords needed to operate your portable compact coffee grinder, allowing you to travel with and brew freshly roasted ground coffee beans on your next camping, hiking, backpacking, or outdoors trip.
 - Convenient removable hand crank mechanism consistently eliminates over 90% of the noise that electric grinders produce.
 - Stainless steel manual coffee grinder with a Unique Screw Patent that prevents the handle from falling off while grinding, making it more stable and easier to grind.
 - Lightweight and portable, our grinder is great for home, office, travel, picnic, camping and other outdoor activities.
 - It is completely silent compared to the electric grinders and no batteries or power is needed.

Attorney of Record

United States Patent and Trademark Office (USPTO)

USPTO OFFICIAL NOTICE

Office Action (Official Letter) has issued
on August 24, 2022 for
U.S. Trademark Application Serial No. 97118818

A USPTO examining attorney has reviewed your trademark application and issued an Office action. You must respond to this Office action in order to avoid your application abandoning. Follow the steps below.

- (1) [**Read the Office action**](#). This email is NOT the Office action.
- (2) **Respond to the Office action by the deadline** using the Trademark Electronic Application System (TEAS). Your response must be received by the USPTO on or before 11:59 p.m. **Eastern Time** of the last day of the response period. Otherwise, your application will be [abandoned](#). See the Office action itself regarding how to respond.
- (3) **Direct general questions** about using USPTO electronic forms, the USPTO [website](#), the application process, the status of your application, and whether there are outstanding deadlines to the [Trademark Assistance Center \(TAC\)](#).

After reading the Office action, address any question(s) regarding the specific content to the USPTO examining attorney identified in the Office action.

GENERAL GUIDANCE

- [**Check the status of your application periodically**](#) in the [Trademark Status & Document Retrieval \(TSDR\)](#) database to avoid missing critical deadlines.
- [**Update your correspondence email address**](#) to ensure you receive important USPTO notices about your application.
- [**Beware of trademark-related scams**](#). Protect yourself from people and companies that may try to take financial advantage of you. Private companies may call you and pretend to be the USPTO or may send you communications that resemble official USPTO documents to trick you. We will never request your credit card number or social security number over the phone. And all official USPTO correspondence will only be emailed from the domain “@uspto.gov.” Verify the correspondence originated from us by using your Serial Number in our database, [TSDR](#), to confirm that it appears under the “Documents” tab, or contact the [Trademark Assistance Center](#).

- **Hiring a U.S.-licensed attorney.** If you do not have an attorney and are not required to have one under the trademark rules, we encourage you to hire a U.S.-licensed attorney specializing in trademark law to help guide you through the registration process. The USPTO examining attorney is not your attorney and cannot give you legal advice, but rather works for and represents the USPTO in trademark matters.
