### United States Patent and Trademark Office (USPTO) Office Action (Official Letter) About Applicant's Trademark Application

**U.S. Application Serial No.** 97119831

**Mark:** STEPPRO EXPERT

**Correspondence Address:**  
TRADING STEP LLC  
30 N GOULD STREET SUITE 4995  
SHERIDAN WY 82801 UNITED STATES

**Applicant:** Trading Step LLC

**Reference/Docket No.** N/A

**Correspondence Email Address:** tradingstepLLC@gmail.com

## **NONFINAL OFFICE ACTION**

**The USPTO must receive applicant's response to this letter within six months of the issue date below or the application will be abandoned.** Respond using the Trademark Electronic Application System (TEAS). A link to the appropriate TEAS response form appears at the end of this Office action.

**Issue date:** August 26, 2022

The referenced application has been reviewed by the assigned trademark examining attorney. Applicant must respond timely and completely to the issues below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

### **SEARCH OF USPTO DATABASE OF MARKS**

The trademark examining attorney searched the USPTO database of registered and pending marks and found no conflicting marks that would bar registration under Trademark Act Section 2(d). 15 U.S.C. §1052(d); TMEP §704.02.

### **SUMMARY OF ISSUES:**

- I. Mark Description and Color Claim Amendment Required
- II. Domicile Clarification Required
- III. Disclaimer Required

#### **I. MARK DESCRIPTION AND COLOR CLAIM AMENDMENT REQUIRED**

Applicant must amend the color claim and description to identify all the colors in the drawing of the mark. *See* 37 C.F.R. §2.52(b)(1); TMEP §807.07(a)-(a)(ii).

A complete color claim must reference all the colors appearing in the drawing of the mark. *See* 37 C.F.R. §2.52(b)(1); TMEP §§807.07(a) *et seq.* Similarly, a complete description of a mark depicted in color must specify where the colors appear in the literal and design elements of the mark. *See* 37 C.F.R. §§2.37, 2.52(b)(1); TMEP §§807.07(a) *et seq.*

**PLEASE NOTE:** If black, white and/or gray are not a color feature of the mark, applicant must provide a statement in the description that black, white and/or gray represent background, outlining,

shading and/or transparent areas and are not part of the mark. TMEP §807.07(d).

The following color claim and description are suggested, if accurate:

**If applicant intends to claim color:**

Color claim: "**The colors black and white are claimed as a feature of the mark.**"

Description: "**The mark consists of a black outline of a hexagon with five black slanted lines and two black perpendicular lines on either end reminiscent of screw threads. The inside of the hexagon is white. Below that is the wording "STEPPRO EXPERT" in black. The remaining white represents background and is not claimed as a feature of the mark.**

**If applicant does not intent to claim color:**

**Applicant should delete the color claim and use the following mark description:**

Description: "**The mark consists of an outline of a hexagon with five slanted lines and two perpendicular lines on either end reminiscent of screw threads. Below that is the wording "STEPPRO EXPERT".**

## **II. DOMICILE CLARIFICATION REQUIRED**

**Applicant must clarify its domicile street address** because the domicile address of record is for a third-party registered agent and does not appear to be applicant's permanent legal place of residence or principal place of business. *See* 37 C.F.R. §§2.11(b), 2.189; TMEP §601.01(b)(1). A domicile address must identify either (1) the permanent legal place of residence, which is the place an individual applicant resides and intends to be the applicant's principal home; or (2) the principal place of business, which is the juristic applicant's headquarters where its senior executives or officers ordinarily direct and control the entity's activities. *See* 37 C.F.R. §2.2(o)-(p); TMEP §803.05(a).

Applications must include an applicant's domicile address because such domicile determines whether an applicant is required to have a U.S.-licensed attorney represent it before the USPTO. *See* 37 C.F.R. §§2.11(a), 2.32(a)(2); TMEP §§601, 803.05. An applicant whose domicile is located outside of the United States or its territories must be represented at the USPTO by an attorney who is an active member in good standing of the bar of the highest court of a U.S. state or territory. 37 C.F.R. §2.11(a); TMEP §601.01(a).

In this case, the application lists applicant as a juristic entity and specifies applicant's domicile address as follows: 30 N Gould Street, Sheridan, Wyoming 82801. According to the attached webpage evidence, this address is for a registered agent and thus does not appear to be applicant's headquarters where its senior executives or officers ordinarily direct and control the entity's activities. *See* 37 C.F.R. §2.2(o)-(p); TMEP §601.01(b)(1). A registered agent is a person or entity appointed to accept service of process and official mail on behalf of a business.

**Response options.** Applicant must provide its domicile street address. *See* 37 C.F.R. §§2.32(a)(2), 2.189; TMEP §803.05. Alternatively, applicant may provide documentation showing that the listed U.S. domicile address is, in fact, applicant's domicile. TMEP §§601.01(b)-(b)(1), 803.05; *see* 37 C.F.R.

§2.11(b).

If applicant amends the application to list a domicile street address located outside of the United States or its territories, applicant must appoint a U.S.-licensed attorney qualified under 37 C.F.R. §11.14 as its representative before the application may proceed to registration. *See* 37 C.F.R. §2.11(a); TMEP §601.01(a). *See* [Hiring a U.S.-licensed trademark attorney](#) for more information. However, if applicant establishes its domicile street address is located within the United States or its territories, applicant is not required to appoint a qualified U.S.-licensed attorney. *See* TMEP §601.01(b).

**To provide applicant's domicile street address.** After opening the correct Trademark Electronic Application System (TEAS) response form and entering the serial number, (1) answer "yes" to wizard question #5 and click "Continue;" (2) on the "Owner Information" page, in the "Domicile Address" field, uncheck the box stating the domicile and mailing address are not the same; and (3) below the checkbox provide applicant's domicile street address. Applicant's domicile street address will be hidden from public view if it is entered into the "Domicile Address" field. However, any street address listed in the "Mailing Address" field will be publicly viewable.

**To provide documentation to support a U.S. domicile address.** Applicant should provide the most recent documentation showing that the address is the applicant's business headquarters, for example one of the following: (1) the most recent final annual or quarterly report or other similar report; or (2) a current certificate of good standing for the corporation or other business entity issued by a federal or state government agency. TMEP §601.01(b)-(b)(1); *see* 37 C.F.R. §2.11(b). Submitted documentation must show the name, listed domicile address, and the date of the document but should redact other personal and financial information.

To submit the documentation, open the correct TEAS response form and enter the serial number, answer "yes" to wizard question #3, and on the "Additional Statement(s)" page, below the "Miscellaneous Statement" field, click the button below the text box to attach documentation to support the U.S. street address.

**To appoint a U.S.-licensed attorney** in this application, applicant should submit a completed TEAS [Change Address or Representation](#) form. The newly-appointed attorney must submit a TEAS [Response to Examining Attorney Office Action](#) form indicating that an appointment of attorney has been made and address all other refusals or requirements in this action, if any. Alternatively, if applicant retains an attorney before filing the response, the attorney can respond to this Office action by using the appropriate TEAS response form and provide his or her attorney information in the form and sign it as applicant's attorney. *See* 37 C.F.R. §2.17(b)(1)(ii); TMEP §604.01.

### **III. DISCLAIMER REQUIRED**

Applicant must disclaim the wording "EXPERT" because it is merely descriptive of an ingredient, quality, characteristic, function, feature, purpose, or use of applicants goods and/or services. *See* 15 U.S.C. §1052(e)(1); *DuoProSS Meditech Corp. v. Inviro Med. Devices, Ltd.*, 695 F.3d 1247, 1251, 103 USPQ2d 1753, 1755 (Fed. Cir. 2012); TMEP §§1213, 1213.03(a).

The attached evidence from The American Heritage Dictionary shows this wording means "a person with a high degree of skill in or knowledge of a certain subject." Thus, the wording merely describes a feature of applicant's goods in that these goods are superior products because they have been crafted by

people with skill in this area.

Applicant may respond to this issue by submitting a disclaimer in the following format:

**No claim is made to the exclusive right to use “EXPERT” apart from the mark as shown.**

For an overview of disclaimers and instructions on how to provide one using the Trademark Electronic Application System (TEAS), see the [Disclaimer webpage](#).

**How to respond.** [\*\*Click to file a response to this nonfinal Office action.\*\*](#)

## **RESPONSE GUIDANCE**

- **Missing the response deadline to this letter will cause the application to abandon.** The response must be received by the USPTO before midnight **Eastern Time** of the last day of the response period. TEAS maintenance or [unforeseen circumstances](#) could affect an applicant's ability to timely respond.
- **Responses signed by an unauthorized party** are not accepted and can **cause the application to abandon**. Customized solutions for your business. We work for you. We're not a volume based website. We help your business succeed here in Wyoming and beyond.

Every business has unique needs. We have a wide range of clients. Simple clients that pay \$50 a month all the way to some of our most involved Wyoming virtual office clients paying us \$5,000 a month to really help their businesses function. The price and services we provide depend on your business maintenance needs. We want your business in Wyoming and to help you create Wyoming Nexus. From getting your mail, help with bank accounts, vendors, signing capacities, and beyond, we help you create REAL Wyoming Nexus.

### What is Wyoming Nexus?

Nexus is a fancy word for "sufficient physical presence." Because of Wyoming's business-friendly policies, many business owners want to be taxed a Wyoming business, but to be taxed as a Wyoming business, that business needs Wyoming nexus. Nexus in Wyoming is typically created when a business maintains a temporary or permanent presence of people (employees or independent sales teams) or by the owning of property, which can consist of things like inventory or offices. The primary aspect of Wyoming nexus is establishing a "substantial physical presence". Employees and property in a state almost always constitutes nexus.

Wyoming Nexus is something many websites will sell you and you might believe you can obtain by spending some minimal amount of money. A big litmus test many courts use is if you have substantial ties with something. If you really want to claim Wyoming is your business home, you're going to need to do something to create substantial ties to our community. We offer real leases, and the ability for you to get real utilities here, and use real services. Rent an office from us. Ship your server here and use it locally. Pay us to do some secretarial work for you. We can help you pick local charities to donate to and ways to establish local ties with our community. Typically the term "nexus" is when a state comes after you for sales tax.

**Creating Nexus in Wyoming:**

Having Wyoming nexus to many folks actually working here is kind of a bad thing. It means the State of Wyoming will want about 6% sales tax. But to people not actually here, Wyoming nexus is a good thing. Kind of funny? Yes. Do you think you'll actually have Wyoming Nexus by paying \$50 a year to a mail forwarding operation in Cheyenne, and just having them provide you a Wyoming address and phone number to forward to where you are? If you're trying to actually get real Wyoming nexus, we're here to help. We will work with you and come up with a customized solution that will meet your budget and your needs. We don't look at you as a number to bill. We look at you as an individual client whose business we can help.

## **United States Patent and Trademark Office (USPTO)**

### **USPTO OFFICIAL NOTICE**

Office Action (Official Letter) has issued

on August 26, 2022 for

**U.S. Trademark Application Serial No. 97119831**

A USPTO examining attorney has reviewed your trademark application and issued an Office action. You must respond to this Office action in order to avoid your application abandoning. Follow the steps below.

(1) [\*\*Read the Office action\*\*](#). This email is NOT the Office action.

(2) **Respond to the Office action by the deadline** using the Trademark Electronic Application System (TEAS). Your response must be received by the USPTO on or before 11:59 p.m. **Eastern Time** of the last day of the response period. Otherwise, your application will be [abandoned](#). See the Office action itself regarding how to respond.

(3) **Direct general questions** about using USPTO electronic forms, the USPTO [website](#), the application process, the status of your application, and whether there are outstanding deadlines to the [Trademark Assistance Center \(TAC\)](#).

After reading the Office action, address any question(s) regarding the specific content to the USPTO examining attorney identified in the Office action.

## **GENERAL GUIDANCE**

- [\*\*Check the status of your application periodically\*\*](#) in the [Trademark Status & Document Retrieval \(TSDR\)](#) database to avoid missing critical deadlines.
- [\*\*Update your correspondence email address\*\*](#) to ensure you receive important USPTO notices about your application.
- [\*\*Beware of trademark-related scams\*\*](#). Protect yourself from people and companies that may try to take financial advantage of you. Private companies may call you and pretend to be the USPTO or may send you communications that resemble official USPTO documents to trick you. We will never request your credit card number or social security number over the phone. And all official USPTO correspondence will only be emailed from the domain “@uspto.gov.” Verify the correspondence originated from us by using your Serial Number in our database, [TSDR](#), to confirm that it appears under the “Documents” tab, or contact the [Trademark Assistance Center](#).

- **Hiring a U.S.-licensed attorney.** If you do not have an attorney and are not required to have one under the trademark rules, we encourage you to hire a U.S.-licensed attorney specializing in trademark law to help guide you through the registration process. The USPTO examining attorney is not your attorney and cannot give you legal advice, but rather works for and represents the USPTO in trademark matters.
