### United States Patent and Trademark Office (USPTO) Office Action (Official Letter) About Applicant's Trademark Application

**U.S. Application Serial No.** 97120612

**Mark:** OPEN AIR

**Correspondence Address:**

NORMAN E. LEHRER  
NORMAN E. LEHRER, P.C.  
52 BERLIN ROAD  
SUITE 1000  
CHERRY HILL NJ 08034 UNITED STATES

**Applicant:** School Outfitters, LLC

**Reference/Docket No.** 7427-29

**Correspondence Email Address:** [patentsnj@yahoo.com](mailto:patentsnj@yahoo.com)

## NONFINAL OFFICE ACTION

**The USPTO must receive applicant's response to this letter within six months of the issue date below or the application will be abandoned.** Respond using the Trademark Electronic Application System (TEAS). A link to the appropriate TEAS response form appears at the end of this Office action.

**Issue date:** August 25, 2022

### **INTRODUCTION**

The referenced application has been reviewed by the assigned trademark examining attorney. Applicant must respond timely and completely to the issue below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

### **SEARCH RESULTS**

The trademark examining attorney searched the USPTO database of registered and pending marks and found no conflicting marks that would bar registration under Trademark Act Section 2(d). 15 U.S.C. §1052(d); TMEP §704.02.

### **SECTION 2(e)(1) REFUSAL – MERELY DESCRIPTIVE**

Registration is refused because the applied-for mark merely describes a feature of Applicant's goods. Trademark Act Section 2(e)(1), 15 U.S.C. §1052(e)(1); *see* TMEP §§1209.01(b), 1209.03 *et seq.*

A mark is merely descriptive if it describes an ingredient, quality, characteristic, function, feature, purpose, or use of an applicant's goods. TMEP §1209.01(b); *see, e.g., In re TriVita, Inc.*, 783 F.3d 872, 874, 114 USPQ2d 1574, 1575 (Fed. Cir. 2015) (quoting *In re Oppedahl& Larson LLP*, 373 F.3d 1171, 1173, 71 USPQ2d 1370, 1371 (Fed. Cir. 2004)); *In re Steelbuilding.com*, 415 F.3d 1293, 1297, 75 USPQ2d 1420, 1421 (Fed. Cir. 2005) (citing *Estate of P.D. Beckwith, Inc. v. Comm'r of Patents*, 252 U.S. 538, 543 (1920)).

The applicant's mark is **OPEN AIR** for "Furniture of metal; Outdoor furniture".

Here, the wording "OPEN AIR" is defined as "outdoor" (See attached evidence from merriam-webster.com). In addition, the application identifies the goods as "Furniture of metal; Outdoor furniture". Moreover, the attached evidence indicates that furniture is commonly used in, and designed for, outdoor spaces, and the term "OPEN AIR" is commonly used to refer to outdoor furniture in the marketplace (See attached evidence from myaashis.com, weimeite.en, aliexpress.com, goldenraintreegardens.com, wescover.com, amazon.com, and giorgettimeda.com). In this case, the wording "OPEN AIR" immediately conveys and merely describes a feature or purpose of applicant's identified goods, namely, furniture for outdoor use.

Each word in Applicant's composite mark, when considered individually and as a whole, immediately

conveys this feature of Applicant's goods. Generally, if the individual components of a mark retain their descriptive meaning in relation to the goods, the combination results in a composite mark that is itself descriptive and not registrable. *In re Fat Boys Water Sports LLC*, 118 USPQ2d 1511, 1516 (TTAB 2016) (citing *In re Tower Tech, Inc.*, 64 USPQ2d 1314, 1317-18 (TTAB (2002)); TMEP §1209.03(d); *see, e.g.*, *In re Cannon Safe, Inc.*, 116 USPQ2d 1348, 1351 (TTAB 2015) (holding SMART SERIES merely descriptive of metal gun safes, because "each component term retains its merely descriptive significance in relation to the goods, resulting in a mark that is also merely descriptive"); *In re King Koil Licensing Co.*, 79 USPQ2d 1048, 1052 (TTAB 2006) (holding THE BREATHABLE MATTRESS merely descriptive of beds, mattresses, box springs, and pillows where the evidence showed that the term "BREATHABLE" retained its ordinary dictionary meaning when combined with the term "MATTRESS" and the resulting combination was used in the relevant industry in a descriptive sense); *In re Associated Theatre Clubs Co.*, 9 USPQ2d 1660, 1663 (TTAB 1988) (holding GROUP SALES BOX OFFICE merely descriptive of theater ticket sales services, because such wording "is nothing more than a combination of the two common descriptive terms most applicable to applicant's services which in combination achieve no different status but remain a common descriptive compound expression"). Only where the combination of descriptive terms creates a unitary mark with a unique, incongruous, or otherwise nondescriptive meaning in relation to the services is the combined mark registrable. *See In re Colonial Stores, Inc.*, 394 F.2d 549, 551, 157 USPQ 382, 384 (C.C.P.A. 1968); *In re Positec Grp. Ltd.*, 108 USPQ2d 1161, 1162-63 (TTAB 2013). In this case, Applicant's mark does not seem to create any additional non-descriptive meaning in relation to the goods; rather, the wording "OPEN AIR" only describes a feature or purpose of the outdoor furniture goods, namely, that they are for outdoor use.

Although applicant's mark has been refused registration, applicant may respond to the refusal by submitting evidence and arguments in support of registration.

### ***Supplemental Register Advisory***

Although an amendment to the Supplemental Register would normally be an appropriate response to this refusal, such a response is not appropriate in the present case. The instant application was filed under Trademark Act Section 1(b) and is not eligible for registration on the Supplemental Register until an acceptable amendment to allege use meeting the requirements of 37 C.F.R. §2.76 has been timely filed. 37 C.F.R. §2.47(d); TMEP §§816.02, 1102.03.

If applicant files an acceptable allegation of use and also amends to the Supplemental Register, the application effective filing date will be the date applicant met the minimum filing requirements under 37 C.F.R. §2.76(c) for an amendment to allege use. TMEP §§816.02, 1102.03; *see* 37 C.F.R. §2.75(b). In addition, the undersigned trademark examining attorney will conduct a new search of the USPTO records for conflicting marks based on the later application filing date. TMEP §§206.01, 1102.03.

To amend the application filing basis from an intent-to-use application under Trademark Act Section 1(b) to a use in commerce basis under Section 1(a), applicant must file, prior to approval of the mark for publication, an amendment to allege use that satisfies the requirements of 37 C.F.R. §2.76. See 15 U.S.C. §1051(c); 37 C.F.R. §2.35(b)(8); TMEP §§806.01(b), 1103.

The following must be submitted in an amendment to allege use in order to amend an application to use in commerce under Section 1(a):

- 1) The following statements: “Applicant believes applicant is the owner of the mark” and “the mark is in use in commerce.”
- 2) The date of first use of the mark anywhere on or in connection with the goods and/or services.
- 3) The date of first use of the mark in commerce as a trademark or service mark.
- 4) The goods specified in the application.
- 5) A specimen showing how applicant uses the mark in commerce for each class of goods for which use is being asserted. If a single specimen supports multiple classes, applicant should indicate which classes the specimen supports rather than providing multiple copies of the same specimen.
- 6) A filing fee of \$100 per class for each international class of goods for which use is being asserted (current fee information should be confirmed at [http://www.uspto.gov/trademarks/tm\\_fee\\_info.jsp](http://www.uspto.gov/trademarks/tm_fee_info.jsp)).
- 7) Verification of the above (1) through (4) requirements in an affidavit or signed declaration under 37 C.F.R. §2.20.

See 37 C.F.R. §§2.6(a)(2), 2.56, 2.76(b); TMEP §§1104.08, 1104.10(b)(v).

An amendment to allege use may be filed online at <http://www.uspto.gov/trademarks/teas/index.jsp>. An amendment to allege use is not considered a response to an Office action. 37 C.F.R. §2.76(h); TMEP §1104. Applicant must file a separate response to any outstanding Office action. TMEP §1104; see 37 C.F.R. §2.76(h).

Please call or email the assigned trademark examining attorney with questions about this Office action. Although an examining attorney cannot provide legal advice, the examining attorney can provide additional explanation about the refusal(s) and/or requirement(s) in this Office action. *See* TMEP §§705.02, 709.06. The USPTO does not accept emails as responses to Office actions; however, emails can be used for informal communications and are included in the application record. *See* 37 C.F.R. §§2.62(c), 2.191; TMEP §§304.01-02, 709.04-05.

## RESPONSE GUIDANCE

- **Missing the response deadline to this letter will cause the application to abandon.** The response must be received by the USPTO before midnight **Eastern Time** of the last day of the response period. TEAS maintenance or unforeseen circumstances could affect an applicant's ability to timely respond.

Five Tips for  
Renovating Your  
Swimming Pool

house by adding another room, why not try making the best of outdoor furniture to retrofit your patio for open air living? Apart from sparing you expenses, turning your outdoors into an everyday living space also brings you closer to nature.

But it's not as simple as just putting your old sofa outdoors and enjoying the fresh air. Preparing your outdoors for an everyday living alfresco experience requires investment in time and money. It's not enough to have pretty fixtures; you'll also sturdier furniture that can withstand the elements. Here are tips that will help you make the best of outdoor furniture.

As the familiar mantra goes, form should follow function when you're thinking of getting outdoor furniture. Think about what you intend to do with your space. Is it for dinner, drinking sessions with friends, a quiet reading nook or perhaps all of that? Knowing its function will make a good guide on what outside furniture to acquire.

Still following up on the last item, comfort should be king when choosing your patio furniture. Before buying a good-looking seat, try sitting on it for a while first to ensure you will be comfortable with it in the long run. Remember that we're talking of using these seats regularly and not just leaving them outside for display.

Go for low-maintenance and easy-care furniture for your outdoor living space. You should be spending most of your time actually enjoying the fresh air and living the life rather than worrying about your furniture. Fixtures made of stone, cedar, metal and teak will go a long way to surviving some of the worst weather conditions in winter or summer.

Acquire all-in-one furniture that can be used for more purposes than one: a couch that doubles as a bookcase or cupboard, an ordinary bench that can stand alone as a loveseat and be used the next moment for an alfresco breakfast table, a modular table and chair set that can be expanded or made compact based on your need.

In all this, it is important not to be afraid to spend more for quality. Economy furniture would naturally look great when still new but will quickly break or fade in one or two years' time. Be meticulous when shopping for outdoor furniture, taking care to check reviews and customer referrals before getting a deal.

It might help to preserve your patio fixtures if you can store them during off seasons in a safe place. A garage or basement would be the best place to bring your furniture to avoid hastening wear and tear during cold, snowy winters or tropical storms.

## **United States Patent and Trademark Office (USPTO)**

### **USPTO OFFICIAL NOTICE**

Office Action (Official Letter) has issued  
on August 25, 2022 for  
**U.S. Trademark Application Serial No. 97120612**

A USPTO examining attorney has reviewed your trademark application and issued an Office action. You must respond to this Office action in order to avoid your application abandoning. Follow the steps below.

- (1) [\*\*Read the Office action.\*\*](#) This email is NOT the Office action.
- (2) **Respond to the Office action by the deadline** using the Trademark Electronic Application System (TEAS). Your response must be received by the USPTO on or before 11:59 p.m. **Eastern Time** of the last day of the response period. Otherwise, your application will be [abandoned](#). See the Office action itself regarding how to respond.
- (3) **Direct general questions** about using USPTO electronic forms, the USPTO [website](#), the application process, the status of your application, and whether there are outstanding deadlines to the [Trademark Assistance Center \(TAC\)](#).

After reading the Office action, address any question(s) regarding the specific content to the USPTO examining attorney identified in the Office action.

## **GENERAL GUIDANCE**

- [\*\*Check the status of your application periodically\*\*](#) in the [Trademark Status & Document Retrieval \(TSDR\)](#) database to avoid missing critical deadlines.
- [\*\*Update your correspondence email address\*\*](#) to ensure you receive important USPTO notices about your application.
- [\*\*Beware of trademark-related scams\*\*](#). Protect yourself from people and companies that may try to take financial advantage of you. Private companies may call you and pretend to be the USPTO or may send you communications that resemble official USPTO documents to trick you. We will never request your credit card number or social security number over the phone. And all official USPTO correspondence will only be emailed from the domain “@uspto.gov.” Verify the correspondence originated from us by using your Serial Number in our database, [TSDR](#), to confirm that it appears under the “Documents” tab, or contact the [Trademark Assistance Center](#).

- **Hiring a U.S.-licensed attorney.** If you do not have an attorney and are not required to have one under the trademark rules, we encourage you to hire a U.S.-licensed attorney specializing in trademark law to help guide you through the registration process. The USPTO examining attorney is not your attorney and cannot give you legal advice, but rather works for and represents the USPTO in trademark matters.
